DIY Dog Grooming, From Puppy Cuts to Best in Show Jorge Bendersky 2014-03 You can often tell how healthy a dog is by the appearance of its coat. Grooming your dog regularly offers clues to her health: It nips potential health problems, like allergies, poor nutrition, parasites, or diseases, in the bud--or at least gives you some early warning about them. Grooming also makes your dog (and you) comfortable socializing whilst also stopping the spread of dirt, fleas, and germs. You can conveniently groom your dog in the comfort of your home. But perhaps the biggest benefit to grooming your dog yourself is strengthening your bond with them. *DIY Dog Grooming, From Puppy Cuts to Best in Show* by Jorge Bendersky, and foreword by Cesar Milan, will show you how to take the best care of your dog, regardless of breed, temperament, or age. Practical step-by-step photos will take you through everything you need to know to bathe and trim your dogs, plus care for their nails, ears, teeth, and more. Learn how to train them to relax and enjoy grooming. "While you can make excuses not to take your dog to the groomer, you have no reason to make excuses for not doing it yourself any longer." -Cesar Millan Inside you'll find: - Simple, step-by-step instructions for everything from bathing to brushing. - Practical solutions to common problems like fleas and ticks, dirt and mud. - Creative suggestions for grooming a picture-

perfect dog.

No Buddy Left Behind Terri Crisp 2012-11-06 No Buddy Left Behind unveils the life-altering relationships American troops serving in the Middle East have shared with the stray dogs and cats they've rescued from the brutalities of war. Overcoming monumental obstacles, Operation Baghdad Pups' program manager Terri Crisp makes it her mission to save these wartime "buddies," get them out of danger, and bring them home to the soldiers who love them. How exactly does someone get animals out of a country at war when normal resources are lacking and every step of a plan to transport animals could get you arrested, kidnapped, or blown apart? As Crisp soon learns, each rescue mission from first to last is a fly-by-the-seat-of-your-pants experience, and no animal is truly safe until its paws touch U.S. soil. Terri and her team have saved the lives of 223 dogs and forty-two cats befriended by military personnel since February 2008—and No Buddy Left Behind finally tells this story.

Dog Grooming Simplified Jodi Murphy

2014-08-15 Jodi has been well respected as an educator in the grooming industry for many years. She is one of the top pet stylists in the world winning multiple titles included World Grand Champion and Best American Groomer. She is here to share her knowledge in this extraordinary book. With over 190 breeds recognized by the American Kennel Club along with individual

breed-specific grooming instructions, it can become very overwhelming for new groomers to retain the information. Straight to the Point is the solution to learning about pattern lines, which simplifies the learning process. Whether the patterns are set tight or left more natural, the patterns are set in the same fashion. Once a groomer understands basic patterns he or she will be able to groom any breed with ease. The dogs pictured in this book are top winning show dogs presenting the correct profile according to their breed standards. Jodi chose to illustrate this way for several reasons. First, a show dog presents an excellent representation of the breed and how it

should be groomed per the breed standard. Second, the reader will be able to see the realistic depth and dimensions of the coat. Last, it will give the reader a vision of the pattern in a realistic view and will be a great reference source when grooming each breed. Once the groomer understands correct pattern placement, it can easily be applied to pet trims. A pet dog does not have to be groomed using show techniques, i.e., hand stripping, to present the proper breed profile. With proper pattern placement and techniques described in this text, the groomer will be able to present a well-balanced, well-blended pet trim to the pet owner.
