Billionaire Unveiled The Billionaire's Obsession ~ Marcus

Billionaire Untamed J. S. Scott 2015-01-24 Lara Bailey isn't in Rocky Springs for the hot springs, the resort activities or the fabulous skiing. She has come to Colorado for one reason and one reason only: to find and get close to Marcus Colter, the eldest Colter brother. Unfortunately, trouble finds her in the form of Tate Colter rather than Marcus. The youngest Colter brother is arrogant, cocky, smart, and tenacious in his attempts to find out why she wants to find Marcus even though she's never met him. Lara isn't willing to divulge that information, and Tate is determined to uncover her motives. It makes Tate one hot, wickedly sexy, adorably dimpled, alpha male pain in her backside. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have ever experienced. But when deception is discovered and a betrayal takes place, can these two adversaries who are so much alike work

together without letting the white-hot passion burning between them incinerate them both?

**Billionaire Unexpected Jax** J S Scott 2021-03 I never expected the man I saw as nothing but a billionaire player to be the only person who could rescue me from near insanity. One moment, everything was perfect. I was finally Dr. Harlow Lewis, research geoscientist, and I was actually employed at Montgomery Mining Laboratories, the crème de la crème of labs for my specialty. I also had good friends, a supportive parent, and a budding relationship with a great guy. Add all of those things together and it was impossible for my existence to be anything less than ideal. I had exactly the life I'd always wanted, until it...wasn't. I guess I never realized that brief periods of perfection could instantly be followed by a nine day, horrific hostage situation that would forever change the woman I'd been before that incident. Oddly, after my release, the only person who knew that I was struggling to get my life back was Jaxton Montgomery, my billionaire boss, and the king of one-nighters. Not exactly the perfect confidante, right? The two of us barely spoke unless it was company business, especially after I'd turned down a date with him two years earlier. What rational female would want to have dinner with a man who was known for his one-and-done dating behavior? Maybe Jax wasn't the guy I would have chosen to be the person who would drag me out of the darkness and back into life again, but he was the only one stubborn enough to do it. He systematically broke down all of defenses until I reached out and clung to him like he was the only lifeline I had. It wasn't until I got to know him that I realized that Jax was so much more than the playboy he was portrayed to be in the gossip columns. He was patient, he didn't judge, and he had a wicked sense of humor. Even stranger, he understood what I was going through, even when I didn't understand it myself. Unfortunately, he was also the hottest guy I'd ever met, and as our bizarre friends-but-not-really-friends relationship continued, it was getting harder and harder to fight the intense chemistry between the two of us. What happens when a guy you thoroughly disliked just a few months ago suddenly becomes your everything? Jax had

helped me claw my way back into my life, but was I brave enough to risk everything all over again to keep the one man I'd always wanted but could never have?

But what starts out as a simple favor soon becomes a whole lot more than he bargained for when the woman he's seeking slips away from him every time he gets close to finding her. When Kade does finally corner her, things start to get even more complicated. Asha Paritala is nothing like he expected, and the female he had tracked down as a favor for Max soon becomes a woman he wants for his very own, a woman who makes protective and highly predatory instincts he didn't know he had flare to life inside him. Kade soon discovers that he wants Asha's total surrender to the desire and passion that vibrates intensely between the two of them, but he also wants her trust, the one thing Asha's history makes it difficult for her to give. Can Kade convince her that some things are worth risking it all? Caught between two worlds, Asha Paritala is homeless, broke and damaged from a life of abuse and neglect. Born of an American mother and an Indian immigrant father, Asha was raised as an Indian woman by a foster family after the death of her natural parents when she was little more than a baby. She's spent her entire life under the control of others until finally breaking free two years earlier, and she's determined to keep her freedom, even if it means she has to struggle to survive. But when she meets Kade Harrison, her resolve is tested. After Kade helps her through a bad situation, she finds herself beginning to trust Kade as she's never trusted a man before. Kade is everything she always thought a man should be, but can she lose herself in him completely when she knows she's damaged and confused.

I'm waiting for a chance to escape, and that opportunity finally comes after I'm bought and paid for. **Tell Me You're Mine** J S Scott 2020-12 A chance

encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series....I am the type of woman who always plays it safe. In my professional life as a public relations "fixer", and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness.

*Billionaire's Obsession* Amanda Adams 2019-01-24  
I have three rules I live by when building multi-billion-dollar companies. Rule number one: don't sleep with your employees. Rule number two: never, ever, ever sleep with your employees. And Rule number three: listen idiot, she's obviously gorgeous but you can't have her. Only now... she quit... or she's leaving... or, whatever. I've had my

eyes on her for two years. I practically get in my ten thousand steps each day just by making excuses to walk by her desk...catch a glimpse. And now I seem to have contracted a serious case of coitus interruptus. Love in an elevator... not so fast. Hot and sweaty yet unfulfilled... you're suffering from the side effects of coitus interruptus. Sex on the beach... sounds yummy. You might think so, but sand in the nether regions can be just another side effect of coitus interruptus when an ever-so-nice family decides to stroll down the beach at the perfect time. And the woman I'm losing sleep over? I actually think she is enjoying my misery. I won't stop now. And if that means I need a little help from a mysterious friend playing matchmaker? I won't say no. I'm desperate. Love is a trickster, but I've faced fiercer enemies and emerged victorious. I must have her.

**Billionaire Unwed Zeke** J S Scott 2021-01-10  
You met Lia and Zeke in *Billionaire Unloved*, Jett and Ruby's book. Now you can find out what happened to them. Did Lia really end up marrying the wrong guy? Although this story is part of *The Billionaire's Obsession* series, it can be easily be enjoyed as a standalone friends to lovers billionaire romance. Lia: I thought I had my life all worked out. My wedding had been meticulously planned. All I had to do was walk down the aisle and get married to the man I'd been engaged to for over a year. Pretty easy and uncomplicated, right? Unfortunately, all of my well laid plans go up in smoke when my fiancé leaves me at the church alone because he found a woman who was better suited for his snobby world of wealth and privilege. After realizing what kind of man my intended groom really was, it was hard not to be more relieved that I'd dodged a bullet than I was heartbroken. Problem is, I still need to get married. All of my hopes and dreams are dependent on me tying the knot by my twenty-eighth birthday, and that date is closing in fast. Way too quickly for me to fall in love all over again. As usual, my best friend Zeke Conner is there to pick up the pieces after I'm left at the altar by a jerk. He helps me work through the demoralizing event so I can put it behind me and move on. I'm stunned when he offers to marry me

himself, but it's a bargain I can't really refuse. As my relationship starts to change with my best friend, I find myself caught in a web of sensual desire and unending passion that's as terrifying as it is satisfying. Probably because it seems all too real. Our arrangement was supposed to be temporary. A deal between friends that Zeke swore would benefit both of us, but as our marriage starts to feel like so much more than just a charade for me, what will happen when it all ends? This book was originally published under the title "Temporary Groom" as a part of the now-discontinued Left at The Altar Series. It's been completely re-written with added chapters and material, and retitled Billionaire Unwed as part of The Billionaire's Obsession series.

He hurt my best friend, and nearly destroyed her relationship with his identical twin brother. So, I decide that someone needs to rein him in so he doesn't try to demolish the couple completely before their wedding takes place. Unfortunately, the only woman who would try to take on that impossible task is...me. It's only six weeks, right? Surely I can tolerate the womanizing, obnoxious jerk and keep him out of trouble so that no more of his scandals hit the media before his brother's wedding. I'm a public relations crisis manager. Squashing bad press is what I do, and I do it extremely well for my high profile clients. What I don't count on is actually starting to like the glimpses of the real Dylan I begin to see underneath all of his cynicism. Nor did I ever imagine that I'd become so attracted to him that I could barely breathe every time he gets close to me. Dylan is a man who has suffered profound emotional pain. I can sense it. I can feel it. The question is: Can I possibly reach the real Dylan Lancaster before it's too late?

**Dans la cage de l'ange** Anna Zaires 2021-10-26 Dans l'antre du diable, je suis à la merci d'un homme qui me fascine autant qu'il me terrorise, un tueur tendre dont l'obsession envers moi se renforce de jour en jour. Nikolai Molotov est plus un geôlier qu'un protecteur, son domaine à la fois un havre de paix et une cage dorée. Si seulement je pouvais résister à sa redoutable séduction... ou réprimer l'emprise de plus en plus forte qu'il exerce sur mon cœur et mon esprit. Parce qu'aussi loin que je creuse dans l'énigme de son passé, je ne connais toujours pas la réponse à la question la plus cruciale : Son amour pour moi me met-il en danger ? Remarque : Il s'agit de la conclusion de l'histoire entre Nikolai et Chloé.
