The Giant Jumperee Julia Donaldson 2017-04-18

Two of the world's most celebrated picture book creators, Julia Donaldson and Helen Oxenbury, team up for the first time in this jaunty animal fable for fans of *Room on the Broom* and *We're Going on a Bear Hunt*. Rabbit arrives home one day to hear a loud voice coming from inside his burrow: "I'm the Giant Jumperee and I'm scary as can be!" shouts the stranger. Rabbit's friends Cat, Bear, and Elephant come to help, but they're no match for the mysterious, booming voice. But who is the Giant Jumperee? Find out in this new read-aloud classic from internationally bestselling author Julia Donaldson, beautifully brought to life by award-winning illustrator Helen Oxenbury.

I Will Chomp You! Jory John 2015-08-04 STOP RIGHT THERE. Don't move a muscle, buster. Stay out of this book or I WILL CHOMP YOU! So says the not-so-fierce inhabitant of *I Will Chomp You!*,

a tale of deception, greed . . . and cake! In their funny read-aloud, Jory John and Bob Shea bring a fresh twist to a time-tested blueprint as their little monster threatens, reasons, and pleads with readers to go no further in the book because he will NOT share his beautiful, delicious cakes. Children will identify with the monster's high valuation of his possessions, and (importantly) will laugh at the silly measures he takes to protect them. "A monster's reign of terror begins even before the title page: "HEY. GO AWAY." Turn to the title page and there the monster waits, blue-skinned and angry-eyed: "I WILL CHOMP YOU!" As the reader turns the pages, the monster's direct-address threats increase: "If you turn any more pages...I WILL CHOMP YOU, BUSTER!" Another page turn and the monster is even angrier: "NOW QUIT IT!" Until finally, "HEY! I'm warning you! You've been officially WARNED! CHOMP!" Unfortunately for the monster, the reader is just too fast, and its chomp misses the mark. The monster proceeds to bite, yell, and barrel its way through the pages, repeatedly trying to halt-by-chomping the reader from reaching its secret hidden in the back pages of the book (psst, it's cake). This book, written entirely as monster monologue, is all bright colors and sharp edges, creating a feeling of temper-tantrum immediacy that matches the silly-angry words. Shea's illustrations are bold but not too busy, giving the impression of fast movement and strong emotions, and the striped shirt-wearing monster is lovable in an ankle-biting kind of way. The fast pace, funny faces, and silly secret make this a great read-aloud." — Siân Gaetano THE HORN BOOK

Gem & Dixie Sara Zarr 2017-04-04 "A story that broke my heart and put it back together again. You won't want to let Gem and Dixie go." —Sarah Dessen, New York Times bestselling author of *Saint Anything*. From renowned author and National Book Award finalist Sara Zarr comes a deep, nuanced, and gorgeously written story

about the complex relationship between two sisters from a broken home. Gem has never known what it is to have security. She's never known an adult she can truly rely on. But the one constant in her life has been Dixie. Gem grew up taking care of her sister when no one else could: not their mother, whose issues make it hard for her to keep food on the table, and definitely not their father, whose intermittent presence is the only thing worse than his frequent absence. Even as Gem and Dixie have grown apart, they've always had each other. When their dad returns home for the first time in years and tries to insert himself back into their lives, Gem finds herself with an unexpected opportunity: three days with Dixie—on their own in Seattle and beyond. But this short trip soon becomes something more, as Gem discovers that to save herself, she may have to sever the one bond she's tried so hard to keep. "A complex and gripping story centered around the relationship of two sisters from a broken home. This book was so meaningful and realistic" (from the Brightly.com review, which named Gem and Dixie one of the best books of 2017).

In Pursuit of Jefferson Derek Baxter 2022-03-15 A debut that combines historical nonfiction with travel books, for fans of Bill Bryson and Tony Horwitz, *In Pursuit of Jefferson* is the story of an American on a journey through Europe, following the epic trail of Thomas Jefferson. A controversial founding father. A man ready for a change. And a completely unique trip through Europe. In 1784, Thomas Jefferson was a broken man. Reeling from the loss of his wife and stung from a political scandal during the Revolutionary war, he needed to remake himself. To do that, he traveled. Wandering through Europe, Jefferson saw and learned as much as he could, ultimately bringing his knowledge home to a young America. There, he would rise to power and shape a nation. More than two hundred years later, Derek Baxter, a devotee of American history, stumbles on an obscure travel guide written by Jefferson—*Hints for Americans Traveling Through Europe*—as he's going through his own personal crisis. Who better to offer advice than a founding father himself? Using *Hints* as his roadmap, Baxter follows Jefferson through six countries and countless lessons. But what Baxter learns isn't always what Jefferson had in mind, and as he comes to understand Jefferson better, he doesn't always like what he finds. *In Pursuit of Jefferson* is at once the story of a life-changing trip through Europe, an unflinching look at a founding father, and a moving personal journey. With rich historical detail, a sense of humor, and boundless heart, Baxter explores how we can be better moving forward only by first looking back.
