*A Concise History of History* Daniel Woolf  
2019-01-17 An incisive account of the entire history of historical writing worldwide by one of the leading intellectuals in the field.

**Listening to Western Music** Craig Wright  
2016-01-01 Combining a student-friendly presentation with cutting-edge digital resources, LISTENING TO WESTERN MUSIC equips you with the tools to actively listen to and inspire a lifelong appreciation for music. Known for his clear, conversational style, Professor Wright helps you immediately find connections to music by comparing pop and classical music concepts. His text is organized chronologically and discusses musical examples from each era in its social context -- describing the construction and culture of each piece. LISTENING TO WESTERN MUSIC is fully integrated with MindTap to better help you develop your listening skills and maximize your course success. Online resources include interactive exercises, streaming music, Active Listening Guides, chapter and critical thinking quizzes, iAudio lectures, YouTube videos, Beat the Clock games, and more. You also can download all music directly to a music library. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*A History of Western Music* Donald Jay Grout  
1996

**A Concise History of Western Music** Paul Griffiths 2006-06-29 Publisher Description

**A Concise History of Finland** David Kirby  
2006-07-13 An up-to-date political, social and economic history of Finland from medieval times to the present. David Kirby traces the evolution of Finland's distinctive identity and of the Finnish national state from the long centuries under Swedish rule, through self-government within the Russian Empire, to independence in the twentieth century.

**Concise History of Western Music 3e + Burkholder/ Norton Anthology of Western Music 5e Concise Edition 6 CDs** Hanning  
2006-12-22

**A Concise History of the World** Merry E. Wiesner-Hanks 2015-09-23 This book tells the story of humankind as producers and reproducers from the Paleolithic to the present. Renowned social and cultural historian Merry Wiesner-Hanks brings a new perspective to world history by examining social and cultural developments across the globe, including families and kin groups, social and gender hierarchies, sexuality, race and ethnicity, labor, religion, consumption, and material culture. She examines how these structures and activities changed over time through local processes and interactions with other cultures, highlighting key developments that defined particular eras such as the growth of cities or the creation of a global trading network.

Incorporating foragers, farmers and factory workers along with shamans, scribes and secretaries, the book widens and lengthens human history. It makes comparisons and generalizations, but also notes diversities and particularities, as it examines the social and cultural matters that are at the heart of big questions in world history today.

**Concise History of Western Music** Barbara Russano Hanning 2014 "Barbara Hanning's Concise History of Western Music offers students a manageable introduction to the forces that shaped music. Combining concision with the imaginative pedagogy that her text pioneered, Hanning focuses on an essential repertoire of 109 characteristic works—from the Middle Ages to the present—providing students with the cultural and historical context to illuminate the music and remember its significance. The new Total Access program unlocks a full suite of media resources with every new book, including instant access to streaming recordings of the complete Norton Anthology of Western Music repertoire, an ebook, audio for nearly every short example in the text, and stunning Metropolitan Opera video."--Résumé du site web de l'éditeur.

**Classical Music** Julian Rushton 1986 Portrays the musical era between 1750 and 1830 against its intellectual and cultural background and describes both its famous and obscure composers.

**The Concise Oxford History of Music** Gerald Abraham 1985

A Concise History of Mexico Brian R. Hamnett 2006-05-04 The second edition of this accessible study of Mexico includes two new features: an examination of cultural developments since Independence from Spain in 1821 and a discussion of contemporary issues up to the time of publication. Several new plates with captions expand the thematic coverage in the book. The updated edition examines the administration of Vicente Fox, who came to power with the elections of 2000. The new sections reinforce the importance of Mexico's long and disparate history, from the Precolumbian era onwards, in shaping the country as it is today. This Concise History looks at Mexico from political, economic and cultural perspectives, and tackles controversial

themes such as the impact of the Spanish Conquest and the struggle to establish an independent Mexico. A broad range of readers interested in the modern-day Americas should find here a helpful introduction to this vibrant and dynamic North-American society.

A Concise History of Modern Europe David S. Mason 2011-01-16 Highlighting the most important events, ideas, and individuals that shaped modern Europe, A Concise History of Modern Europe provides a readable, succinct history of the continent from the Enlightenment and the French Revolution to the present day. Avoiding a detailed, lengthy chronology, the book focuses on key events and ideas to explore the causes and consequences of revolutions—be they political, economic, or scientific; the origins and development of human rights and democracy; and issues of European identity. Any reader needing a broad overview of the sweep of European history since 1789 will find this book, published in a first edition under the title Revolutionary Europe, an engaging and cohesive narrative.

**A History of Western Music** Donald Jay Grout 1970

**A Concise History of Hong Kong** John M. Carroll 2007-06-07 When the British occupied the tiny island of Hong Kong during the First Opium War, the Chinese empire was well into its decline, while Great Britain was already in the second decade of its legendary "Imperial Century." From this collision of empires arose a city that continues to intrigue observers. Melding Chinese and Western influences, Hong Kong has long defied easy categorization. John M. Carroll's engrossing and accessible narrative explores the remarkable history of Hong Kong from the early 1800s through the post-1997 handover, when this former colony became a Special Administrative Region of the People's Republic of China. The book explores Hong Kong as a place with a unique identity, yet also a crossroads where Chinese history, British colonial history, and world history intersect. Carroll concludes by exploring the legacies of colonial rule, the consequences of Hong Kong's reintegration with China, and significant developments and challenges since 1997.

A Concise History of the Modern World William

Woodruff 1993-07-20 In an ever-shrinking world, the need for a global perspective in dealing with the modern world has become acute. This book attempts to provide such a perspective by investigating the major changes in geopolitics and world economy during the past 500 years. However compact, it enables us to understand the present unravelling of Communism and the growing challenge from Asia to Western Superiority. It is shown that in so many ways the problems of the contemporary world spring from the unprecedented era of western domination, which the non-western world is now trying to unlive.

**A Concise History of Revolution** Mehran Kamrava 2019-09-26 From rebellion to revolution -- Social movements and revolution -- Revolutionary states -- Revolutionary politics.

**Concise History of Western Music** Hanning, Barbara Russano 2020-07-01 This update to Barbara Hanning's concise survey aligns it with the Eighth Edition of the Norton Anthology of Western Music and supports your students with a more robust media package. New resources include Audio Timelines, tutorials to help build music history skills, and adaptive activities to reinforce concepts.

Music in Western Civilization Paul Henry Lang 1997 A comprehensive history of occidental music focuses on the function of music as an expression of the spirit and artistic life of each age.

**A Concise History of Bolivia** Herbert S. Klein 2011-01-31 In its first Spanish edition, Herbert Klein's A Concise History of Bolivia won immediate acceptance within Bolivia as the new standard history of this important nation. Surveying Bolivia's economic, social, cultural and political evolution from the arrival of early man in the Andes to the present, this current version brings the history of this society up to the present day, covering the fundamental changes that have occurred since the National Revolution of 1952 and the return of democracy in 1982. These changes have included the introduction of universal education and the rise of the mestizos and Indian populations to political power for the first time in national history. This second edition brings this story through the first administration

of the first self-proclaimed Indian president in national history and the major changes that the government of Evo Morales has introduced in Bolivian society, politics and economics.

**Norton Anthology of Western Music** Claude V. Palisca 1996

**A Concise History of the American Republic: Volume 1** Samuel Eliot Morison 1983-01-13 A Concise History of the American Republic, Second Edition, is a compact, authoritative, gracefully written narrative of American history from the arrival of the Native Americans' Siberian forebears to the economic conflicts of the Carter and Reagan administrations. Its distinguished authors embrace a full range of the American experience: economic and social, literary and spiritual, political and military. In the engaging narrative that has made this work so well received, the second edition offers fresh and incisive analyses of the American party system, the Cold War, unemployment, environmental problems, Middle East conflicts, the energy crisis, our relations with China, the issues surrounding various elections, and much more. Major social, political, and economic policies and trends that have affected women and minority groups are recorded in detail. A Concise History is illustrated with 30 maps and over 200 paintings, cartoons, and photographs. Available in one-volume paper and cloth editions and in two separate paperback volumes.

**Concise History of Western Music (Fifth Edition)** Barbara Russano Hanning 2014-04-15 The most student-friendly music history text available, now with Total Access. Barbara Hanning's Concise History of Western Music offers students a manageable introduction to the forces that shaped music. Combining concision with the imaginative pedagogy that her text pioneered, Hanning focuses on an essential repertoire of 109 characteristic works—from the Middle Ages to the present—providing students with the cultural and historical context to illuminate the music and remember its significance. The new Total Access program unlocks a full suite of media resources with every new book, including instant access to streaming

recordings of the complete Norton Anthology of Western Music repertoire, an ebook, audio for nearly every short example in the text, and stunning Metropolitan Opera video.

**Music in the Early Twentieth Century** Richard Taruskin 2006-08-14 The universally acclaimed and award-winning Oxford History of Western Music is the eminent musicologist Richard Taruskin's provocative, erudite telling of the story of Western music from its earliest days to the present. Each book in this superlative five-volume set illuminates-through a representative sampling of masterworks-the themes, styles, and currents that give shape and direction to a significant period in the history of Western music. *Music in the Early Twentieth Century*, the fourth volume in Richard Taruskin's history, looks at the first half of the twentieth century, from the beginnings of Modernism in the last decade of the nineteenth century right up to the end of World War II. Taruskin discusses modernism in Germany and France as reflected in the work of Mahler, Strauss, Satie, and Debussy, the modern ballets of Stravinsky, the use of twelve-tone technique in the years following World War I, the music of Charles Ives, the influence of peasant songs on Bela Bartok, Stravinsky's neo-classical phase and the real beginnings of 20th-century music, the vision of America as seen in the works of such composers as W.C. Handy, George Gershwin, and Virgil Thomson, and the impact of totalitarianism on the works of a range of musicians from Toscanini to Shostakovich

**Western Esotericism** Antoine Faivre 2010-10-06 A survey of Western esoteric currents since late antiquity, with an emphasis on the last six centuries. Widely received in France, this brief, comprehensive introduction to Western esotericism by the founder of the field is at last available in English. A historical and pedagogical guide, the book is written primarily for students and novices. In clear, precise language, author Antoine Faivre provides an overview of Western esoteric currents since late antiquity. The bulk of the book is laid out chronologically, from ancient and medieval sources (Alexandrian hermetism, gnosticism, neoplatonism), through the Renaissance up to the present time. Its coverage

includes spiritual alchemy, Jewish and Christian Kabbalah, Christian theosophy, Rosicrucianism, Illuminism, 'mystical' Free-Masonry, the Occultist current, Theosophical and Anthroposophical Societies, the Traditionalist School, and 'esotericism' in contemporary initiatic societies and in New Religious Movements. Faivre explores how these currents are connected, and refers to where they appear in art and literature. The book concludes with an annotated bibliography, which makes it an essential resource for beginners and scholars alike. Antoine Faivre is Professor Emeritus at the École Pratique des Hautes Études (Religious Studies), Sorbonne. He has published extensively, including *Access to Western Esotericism* and *The Golden Fleece and Alchemy*, both also published by SUNY Press. Christine Rhone has translated numerous books, including Faivre's *Theosophy, Imagination, Tradition: Studies in Western Esotericism*, also published by SUNY Press.

*A Concise History of the New Deal* Jason Scott Smith 2014-05-29 This book provides a history of the New Deal, exploring the institutional, political, and cultural changes experienced by the United States during the Great Depression.

Volyrne1 (6 CDs): Volume2 (5 CDs): Volume3 (3 CDs): Concise (6 CDs): Book jacket.

A History of Emotion in Western Music Michael Spitzer 2020 "This book is the first history of musical emotion in any language. Combining intellectual history, music studies, philosophy and cognitive psychology, it unfolds a history of musical emotion across a thousand years of Western art music, from chant to pop. It affords a new way of analysing music, revealing the relationship between emotion and musical structure. The book also provides an introduction to the latest approaches to emotion research, as well as an original theory of how musical emotion works. The book is disposed in two parts. Part 1 (chapters 1-4) comprises the theoretical foundation of the book. Part 2 (chapters 5-9) provides an historical narrative from medieval to contemporary music. Chapter 1 summarizes contemporary theories of emotion in general, and of musical emotion in particular, bringing together seminal philosophers and psychologists. Chapter 2 contains the core of the book's original thesis: that five basic emotions (happiness, sadness, anger, tenderness, and fear) constitute five categories of musical emotion throughout the common-practice period. Chapter 3 outlines a variety of complex musical emotions, such as wonder, nostalgia, envy, and disgust. Chapter 4 explores the historiography of emotion, including the seminal writings of Elias, Rosenwein, and Reddy. Part 2 of the book (chapters 5-9) explores a millennium of Western music in terms of shifting categories of emotion: from affections and passions through sentiments, emotions proper, to modern affect"--

**A Concise History of Poland** Jerzy Lukowski 2006-07-06 The second edition of this guide to Poland has been updated to take account of the years from 1989-2005. This period marked its liberation from the Soviet Union, the birth of Poland's 'Third Republic' and, recently, its accession to the European Union in 2004. Poland's history has been marked by its resilience. Once a dominant force in central and eastern Europe and home to a remarkable experiment in consensual politics, it was excised from the map by its neighbours in 1795. Resurrected in 1918, partitioned afresh during the Second World War, it survived to become a satellite of the Soviet Union. Yet in the 1980s, it was Poland which

blazed the trail in casting off communism, and was finally able to reassert its Christian heritage. With its updated bibliography and new chronology, the book is the ideal companion for all looking for a comprehensive survey of this fascinating country. *Concise History of Western Music* Barbara Russano Hanning 1997-12 Based on the classic *A History of Western Music* by J. Peter Burkholder, Donald J. Grout, and Claude V. Palisca, *Concise History of Western Music* provides authoritative coverage of the essential works and genres in Western music history. The Third Edition has been meticulously revised and reorganized to provide a more streamlined narrative that emphasizes a core repertory, social and historical context, and performance practice. This comprehensive revision features outstanding new pedagogy and multimedia resources.

**The Concise History of the Crusades** Thomas F. Madden 2014-03-16 What is the relationship between the medieval crusades and the problems of the modern Middle East? Were the crusades the Christian equivalent of Muslim jihad? In this sweeping yet crisp history, Thomas F. Madden offers a brilliant and compelling narrative of the crusades and their contemporary relevance. Placing all of the major crusades within their social, economic, religious, and intellectual environments, Madden explores the uniquely medieval world that led untold thousands to leave their homes, families, and friends to march in Christ's name to distant lands. From Palestine and Europe's farthest reaches, each crusade is recounted in a clear, concise narrative. The author gives special attention as well to the crusades' effects on the Islamic world and the Christian Byzantine East.

*Classical Literature* Richard Rutherford 2008-04-15 This accessible one-volume survey of the literature of Greece and Rome covers the period between Homer around 700 BC and Augustine around AD 410. Highlights what is important historically and of continuing interest and value in classical literature. An introduction by the editor presents essential information in a concise, accessible way. Each chapter focuses on a particular genre or area of literature. This structure allows readers to see continuities

between different periods and to move easily between the Greek and Roman worlds. Includes extensive quotations in English. A timeline and an index of authors help to make the material as accessible as possible.

*A Concise History of Russia* Paul Bushkovitch  
2011-12-05 Accessible to students, tourists and general readers alike, this book provides a broad overview of Russian history since the ninth century. Paul Bushkovitch emphasizes the enormous changes in the understanding of Russian history resulting from the end of the Soviet Union in 1991. Since then, new material has come to light on the history of the Soviet era, providing new conceptions of Russia's pre-revolutionary past. The book traces not only the political history of Russia, but also developments in its literature, art and science. Bushkovitch describes well-known cultural figures, such as Chekhov, Tolstoy and Mendeleev, in their institutional and historical contexts. Though the 1917 revolution, the resulting Soviet system and the Cold War were a crucial part of Russian and world history, Bushkovitch presents earlier developments as more than just a prelude to Bolshevik power.

*Concise History of Western Music* Barbara Russano Hanning 1998 Concise History of Western Music combines Grout and Palisca's uncompromising reliability, scope, and respect for the narrative, while offering many more pedagogical aids, such as chapter preludes and postludes; "Etudes," excursions that explore the material more deeply than the main text; and "Windows," boxed discussions of special topics.

*Concise History of Western Music* Barbara Russano Hanning 2019 "The most student-friendly music history text available, now with Total Access. Barbara Hanning's Concise History of Western Music offers students a manageable introduction to the forces that shaped music. Combining concision with the imaginative pedagogy that her text pioneered, Hanning focuses on an essential repertoire of 109 characteristic works—from the Middle Ages to the present—providing students with the cultural and historical context to illuminate the music and remember its significance. The new Total Access

program unlocks a full suite of media resources with every new book, including instant access to streaming recordings of the complete Norton Anthology of Western Music repertoire, an ebook, audio for nearly every short example in the text, and stunning Metropolitan Opera video"--

**A Concise History of Greece** Richard Clogg  
2002-06-20 This book provides a concise, illustrated introduction to the history of modern Greece, with a new final chapter about Greek history and politics to the present day. 56 illustrations. 10 maps.

**Modern Music and After** Paul Griffiths  
2011-02-16 Over three decades, Paul Griffiths's survey has remained the definitive study of music since the Second World War; this fully revised and updated edition re-establishes *Modern Music and After* as the preeminent introduction to the music of our time. The disruptions of the war, and the struggles of the ensuing peace, were reflected in the music of the time: in Pierre Boulez's radical reformation of compositional technique and in John Cage's development of zen music; in Milton Babbitt's settling of the serial system and in Dmitry Shostakovich's unsettling symphonies; in Karlheinz Stockhausen's development of electronic music and in Luigi Nono's pursuit of the universally human, in Iannis Xenakis's view of music as sounding mathematics and in Luciano Berio's consideration of it as language. The initiatives of these composers and their contemporaries opened prospects that haven't yet stopped unfolding. This constant expansion of musical thinking since 1945 has left us with no singular history of music; Griffiths's study accordingly follows several different paths, showing how and why they converge and diverge. This new edition of *Modern Music and After* discusses not only the music of the fifteen years that have passed since the previous edition, but also the recent explosion of scholarly interest in the latter half of the twentieth century. In particular, the book has been expanded to incorporate the variety of responses to the modernist impasse experienced by composers of the 1980s and 1990s. Griffiths then moves the book into the twenty-first century as he examines such highly influential composers as Helmut

Lachenmann and Salvatore Sciarrino. For its breadth, wealth of detail, and characteristic wit and clarity, the third edition of *Modern Music and After* is required reading for the student and the enquiring listener.

*A Concise History of Portugal* David Birmingham 2003-11-13 This concise, illustrated history of Portugal offers an introduction to the people and culture of the country, its empire, and to its search for economic modernisation, political stability and international partnership. The book studies the effects of the vast wealth mined from Portuguese Brazil, the growth of the wine trade, and the evolution of international ties. The Portuguese Revolution of 1820 to 1851 created a liberal monarchy, but in 1910 the king was overthrown and, by 1926, had been replaced by a dictatorship. In 1975 Portugal withdrew from its African colonies and turned north to become a

democratic member of the European Community in 1986. Researched during the years which followed the fall of Portugal's dictators in 1974, this book has become the standard single-volume work. The second edition brings the story up to date and discusses the state of historical writing on Portugal at the turn of the millennium.

*A Concise History of Spain* William D. Phillips, Jr 2010-07 Engaging history of the rich cultural, social and political life of Spain from prehistoric times to the present.

*Study and Listening Guide for Concise History of Western Music* by Barbara Russano Hanning and *Norton Anthology of Western Music Third Edition [edited]* by Claude V. Palisca James Peter Burkholder 1998

*Concise History of Western Music* Barbara Russano Hanning 2019-09-16 An anthology and media update for the most student-friendly music history text
