The Bell Bandit Jacqueline Davies 2012-05-01 The third installment of the popular Lemonade War series finds siblings Evan and Jessie Treski at their grandmother's Vermont house for the holidays, solving another mystery. Everything about this trip to Grandma's house was different: First, because of the fire, Mrs. Treski, Evan, and Jessie had driven up to Grandma's two days after Christmas instead of the day before, missing Christmas with Grandma entirely. Second, the fire had left a hole in the back kitchen wall big enough to drive a car through! And with Grandma in the hospital and not in her house, everything felt off. Third, someone had climbed the long, slow slope of Lovell Hill to the top and had stolen the old iron bell hanging on its heavy wooden crossbeam. Who on earth would steal the New Year's Bell? And how could Grandma, Mrs. Treski, Evan, Jessie, and their neighbors ring in the New Year without it? Like a modern-day Beverly Cleary, Ms. Davies writes with heart, humor, and honesty about the inevitability of profound change and reveals just how well she understands the complex emotions of the children. The five books in this fun-to-read series are: *The Lemonade War* *The Lemonade Crime* *The Bell Bandit* *The Candy Smash* *The Magic Trap*

Crow Call Lois Lowry 2010-11-01 The two-time Newbery medalist has crafted “a loving

representation of a relationship between parent and child” in post-WWII America (Publishers Weekly, starred review). This is the story of young Liz, her father, and their strained relationship. Dad has been away at WWII for longer than she can remember, and they begin their journey of reconnection through a hunting shirt, cherry pie, tender conversation, and the crow call. This allegorical story shows how, like the birds gathering above, the relationship between the girl and her father is graced with the chance to fly. “The memory of a treasured day spent with a special person will resonate with readers everywhere.” —School Library Journal (starred review) “Beautifully written, the piece reads much like a traditional short story . . . the details of [Ibatouline’s] renderings gracefully capture a moment in time that was lost. Relevant for families whose parents are returning from war, the text is also ripe for classroom discussion and for advanced readers.” —Kirkus Reviews

Should she slow down and let Ruth hold on to the spotlight? Or let herself soar? With subtlety and insight, Carolyn Marsden explores the delicate subject of competition between friends.

Matylda, Bright and Tender Holly M. McGhee

2017-03-14 In a courageous debut novel, Holly M. McGhee explores the loss that shakes one girl’s world — and the unexpected consequences of the things we do for love. Sussy and Guy are best friends, fourth-graders who share their silliest thoughts and deepest hopes. One afternoon, the two of them decide they must have something of their very own to love. After a trip to the pet store, they bring home a spotted lizard, the one with the ancient face and starfish toes, and they name her Matylda (with a y so it’s all her own). With Guy leading the way, they feed her and give her an origin story fit for a warrior lizard. A few weeks later, on a simple bike ride, there is a terrible accident. As hard as it is, Sussy is sure she can hold on to Guy if she can find a way to love Matylda enough. But in a startling turn of events, Sussy reconsiders what it means to grieve and heal and hope and go on, for her own sake and Matylda’s. By turns both devastating and buoyant,

this story is a brave one, showing how far we can justify going for a real and true friend.
