Rosh Rapid Review: General Surgery Rotation Exam Emily Osie 2020-02-19 This is book 2 of 7 of the Rapid Review for the Rotation Exam series. Developed by the same Rosh Review team who brought you the popular Rosh Review Qbank. The Rapid Review for the General Surgery Rotation Exam details every national content blueprint topic into a "what you need to know" for your General Surgery Rotation Exam. This book provides a high-yield review of the pathophysiology, diagnosis, lab analysis, treatments and more. Includes beautifully designed color teaching images for visual learners. Organized so you can add your own notes. Easy to take with you to class, a cafe, or library. The content in the Rapid Review book series is different from the content in the Rosh Qbank. Nonetheless, the Rapid Review book series serves as a perfect companion to the Rosh Qbank. Learning and education is a dynamic process, one that is never ending. Once we commit to a life in medicine, we commit to a life of learning. The Rosh Rapid Review book series is best suited to serve as an adjunct to your medical education. It is not meant as a primary source, rather it should help you organize your thoughts and provide ancillary knowledge for a more robust education. We are counting on you to not just regurgitate facts, but rather, paraphrasing Dr. Elizabeth Blackburn, to learn how it all works. We are privileged to be in the role of caretaker and thus

have a responsibility to our patients to be the most knowledgeable we can be. Use this book on your learning journey. At some point, you will grow out of it. But in the meantime, we hope the hard work by the dedicated Rosh Review team can play just a small role in helping you reach your goals and achieve your dreams.

The Last Vispo Anthology Crag Hill 2012-11-03 This book collects experimental "visual poetry." With The Last Vispo Anthology, Fantagraphics spotlights the intersection of art and language in this innovative new collection — without peer in English — that gathers the work of visual poets from around the world into one stunning volume. The alphabet is turned on its head and inside-out and the results culminate in a compilation of daring and surprising verbo-visual gems. The Last Vispo is composed of visual poetry (a portmanteau of the words "visual" and "poetry") from the years 1998 to 2008, during a burst of creative activity fueled by file sharing and e-mail, which made it possible for the vispo community to establish a more heightened and sophisticated dialogue with one another. The collection extends the dialectic between art and literature that began with ancient "shaped text," medieval pattern poetry, and dada typography, pushing past the concrete poetics of the 1950s and the subsequent mail art movement of the 1980s to its current incarnation. Rather than settle into predictable, unchallenged patterns, this vibrant poetry seizes new tools to expand the body of work that inhabits the

borderlands of visual art and poetic language. The Last Vispo features 148 contributors from 23 countries on five continents. It includes 12 essays that illuminate the abundant history and the state of vispo today. The anthology offers a broad amalgam of long-time practitioners and poets new to visual poetry over the last decade, underscoring the longevity and the continued vitality of the art form.
