From the Embers Candace Knoebel 2014-01-26  
I am the Progeny. The one deemed to carry this weight. The weight of knowing too much. Of knowing there is a darkness in me. Of knowing that even The Fates can screw things up. Aurora Megalos knew becoming the Progeny meant great sacrifice, but what she wasn't prepared for was sacrificing herself. Since the day of her birth, she has been set on a path she couldn't control; a path conceived by The Fates. After discovering she is mortally connected to her arch enemy, Zordon—a son of a Fate, Aurora is left with a path that seems hopeless. Until she discovers a revelation in the prophecy. With war on the horizon, she must find a way to defeat the one who threatens to take everything and everyone she has ever loved from her, without destroying herself. The barrier between both realms is broken, The Fates have been overrun by Zordon, and his darkness now spreads throughout the lands. The odds are stacked against her. Will Aurora and Fenn find a way to undo the work of The Fates in time to save

the realms from complete destruction?

**Following 9/11** Christopher Vecsey 2011-07-05  
Following 9/11 examines the religious ramifications of 9/11 and its aftershocks through the lens of the New York Times. After the attacks occurred, the Times turned to its standards of journalistic comprehension and its institutional memory regarding religious phenomena to grasp the news with customary tools of coverage. The events made good copy, surely, but also uncovered persistent themes in the treatment of religion in the newspaper. Day in, day out, the New York Times is one of the most important news sources for understanding the contemporary world. Drawing from the paper's articles, Vecsey compiles an encyclopedic record of religion in our day. Analysis of religion coverage in the Times, focusing on 9/11 and its upshots, shows not only how the paper reported on the tragedy and its consequences, but also how it presented its conventional religious themes—traditions, diversity, tolerance, institutional organization, interfaith cooperation, ethical judgment, etc.—in the crucible of the crisis, perhaps the most galvanizing event concerning contemporary religion. 9/11 was a political as well as a religious event, and it becomes evident—by probing Times coverage—how religion and politics have particularly defined one another since 2001. Vecsey draws attention to the volatile public

phrases “culture wars” and “clash of civilizations” to perceive the ways in which 9/11 crystallized and recast those concepts, so important in understanding the political dimensions of religion over the past decade. For years after 2001, in stories related to the tragedy, the Times moved beyond political coverage to the social, the cultural, the artistic, the intellectual, and especially the religious. Above all, however, the paper showed how religion, politics, and journalism define each other in these times following 9/11.

*Evernight (Night Watchmen, #2)* Candace Knoebel 2014-10-28 The stunning sequel to the thrilling paranormal romance novel *Everlasting!* One lie will change everything. Faye Middleton has secured the Dagger of Retribution for the High Priesthood, but in doing so, she's opened the door to more demands set by them. She now has to break the Holy Seal, and soon. Trapped in the alluring Ethryeal City, Faye is pushed to the breaking point trying to discover just what she is truly capable of, even if it means destroying herself in the process. With the clock ticking down to the war between both Covens, and the truth about her parent's mysterious disappearance within her reach, Faye is faced with tough choices that will forever change her. Will Faye be able to handle the demands from the Priesthood, and still be able to continue her search for her parents? But more importantly, can she survive the truth she finds?

*Stargazer* Claudia Gray 2009-03-24 The vampire in me was closer to the surface . . . Evernight Academy: an exclusive boarding school for the most beautiful, dangerous students of all—vampires. Bianca, born to two vampires, has always been told her destiny is to become one of them. But Bianca fell in love with Lucas—a vampire hunter sworn to destroy her kind. They were torn apart when his true identity was revealed, forcing him to flee the school. Although they may be separated, Bianca and Lucas will not give each other up. She will risk anything for the chance to see him again, even if it means coming face-to-face with the vampire hunters of Black Cross—or deceiving the powerful vampires of Evernight. Bianca's secrets will force her to live a

life of lies. Yet Bianca isn't the only one keeping secrets. When Evernight is attacked by an evil force that seems to target her, she discovers the truth she thought she knew is only the beginning.

**Born in Flames** Candace Knoebel 2012-09-06 Red mirrored scales race up my arms as the haze of pain blurs my vision. My bones crack, breaking to realign. I scream. It is then that the realization of my unavoidable fate sinks in; I am of a dying race. I am dragon. Aurora Megalos, orphaned and teetering on the edge of adulthood, thought finding her past would curb the sting of being an outcast. Having no memories of the time before she awoke on her foster mother's doorstep, she yearns for the emptiness inside her to be filled. With her fellow orphaned best friend, Fenn, by her side, she has nothing to lose and everything to gain. But something powerful stirred within her that she couldn't explain. Something wanted out. In the dark of night, a crazed Seer, dubbed Mr. Creepy, erases everything she's ever known with an impending prophecy. She now faces two paths. Return to her true home to protect a dying race against a growing evil, or stay hidden in the safety of our realm with a shot at a true love. With a vengeful Arch Enemy stopping at nothing to see her dead, she's running out of time; a decision must be made. What would you choose?

**Trump / Russia** Seth Hettena 2018-05-08

"Hettena is a first-rate reporter and wonderful story-teller, and the tale he tells here is mind-boggling."—Jane Mayer, author of New York Times bestseller *Dark Money* "Hettena skillfully weaves many threads—most fresh or previously hidden—into a rich tapestry tying together decades of Donald Trump's deep involvement with Russia."—DAVID CAY JOHNSTON, author of New York Times bestseller *The Making of Donald Trump* Uncovering the decades-long association between Donald Trump and Russia Is the 45th President of the United States under the control of a foreign power? Award-winning Associated Press reporter Seth Hettena untangles the story of Donald Trump's long involvement with Russia in damning detail—including new reporting never before published. As Special Counsel Robert

Mueller's investigation into the relationship between members of Trump's campaign and Russian operatives continues, there is growing evidence that Trump has spent decades cultivating ties to corrupt Russians and the post-Soviet state. In *Trump/Russia: A Definitive History*, Seth Hettena chronicles the many years Trump has spent wooing Russian money and power. From the collapse of his casino empire—which left Trump desperate for cash—and his first contacts with Russian deal-makers and financiers, on up to the White House, Hettena reveals the myriad of shady people, convoluted dealings, and strange events that suggest how indebted to Russia our forty-fifth president might be. Using deeply researched reporting, along with newly uncovered information, court documents, and exclusive interviews with investigators and FBI agents, Hettena provides an expansive and essential primer to the Trump/Russia scandal, leaving no stone unturned.

**Love in the Headlines** Candace Knoebel 2020-03-18 Grayson Pierce. New York's notorious serial dater. Bad boy turned media mogul. And... my current assignment. It's an accident. A serendipitous push when he knocks the Kindle from my hands, and then asks if he can replace it

with that Casanova smile I'd seen plastered in countless magazines. He gives me his personal number on a business card. A card that, in a moment of panic, I use to secure the job of my dreams. Thirty days. I have thirty days to learn everything about him for an exposé. To get close enough to make him fall for me. The thing is, I've never been in love. Barely even been kissed. I'm Primrose Amberly. Kansas' quirkiest book nerd. A good girl tossed in shark-infested waters. And one failure away from tucking my tail and heading back to the fields of sunflowers. Thirty days. That is all it takes for his bed to become my undoing. For my dreams to come close to being realized. For a surprising love to burn between us. But, the clock is ticking, and I fear the choice I have to make when those thirty days are up.

**Eco-man** Mark Allister 2004 Many canonical literary works look to the wild as the site for establishing a man's selfhood. But nature is just as often subjected to his most violent displays of mastery. This tension lies at the heart of 'Eco-Man', which brings together two rapidly growing fields: men's studies and ecocriticism.

**Only Ever Yours** Louise O'Neill 2015-05-12 Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of *Only Every Yours* women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

**Punk 57** Penelope Douglas 2016-10-18 In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything

**A Touch of Ruin** Scarlett St. Clair 2021-11-30 The second in the captivating Hades and Persephone series from fan-favorite bestselling author Scarlett St. Clair. "Are you saying you wouldn't fight for me?" Hades sighed and brushed his finger along her cheek. "Darling, I would burn this world for you." Persephone's relationship with Hades has gone public and the resulting media storm disrupts her normal life and threatens to expose her as the Goddess of Spring. To add to her troubles, everyone seems eager to warn Persephone away from the God of the Dead by exposing his hellish past. Things only get worse when a horrible tragedy leaves Persephone's heart in ruin and Hades refusing to help. Desperate, she takes matters into her own hands, striking bargains that lead to severe consequences. Faced with a side of Hades she never knew, and crushing loss, Persephone wonders if she can truly become Hades's queen.

**Evernight** Donna Grant 2020-05-18 Traumatized by the most devastating event imaginable, Synne has one thing on her mind: ridding the world of the Coven. The witches and their evil allies took away everything she held dear, and not even her beloved trees can quell the rising grief and darkness seeping into her soul. However, when she crosses paths with a sexy-as-sin Scotsman, her way of thinking changes, and she discovers things about herself even she wouldn't have guessed. Lachlan MacCullum, next in line to rule his clan, never expected to have his world turned upside down. But the moment he lays eyes on the gorgeous Hunter, he knows he will never be the same. In addition to making him feel things he never thought possible, she opens him to a world he'd nearly forgotten about. Now, he's consumed by the need to help her. And win her heart. With Sybbyl on the loose and out for domination, and another bone of the First Witch close at hand,

reaching the Varroki and joining forces is paramount. Unfortunately, that's easier said than done. Evil has a way of thwarting even the best-laid plans. At least they have each other. But for how long?

**Cyberpragmatics** Francisco Yus 2011-08-22 Cyberpragmatics is an analysis of Internet-mediated communication from the perspective of cognitive pragmatics. It addresses a whole range of interactions that can be found on the Net: the web page, chat rooms, instant messaging, social networking sites, 3D virtual worlds, blogs, videoconference, e-mail, Twitter, etc. Of special interest is the role of intentions and the quality of interpretations when these Internet-mediated interactions take place, which is often affected by the textual properties of the medium. The book also analyses the pragmatic implications of transferring offline discourses (e.g. printed paper, advertisements) to the screen-framed space of the Net. And although the main framework is cognitive pragmatics, the book also draws from other theories and models in order to build up a better picture of what really happens when people communicate on the Net. This book will interest analysts doing research on computer-mediated communication, university students and researchers undergoing post-graduate courses or writing a PhD thesis. *Embracing the Flames* Candace Knoebel 2013-10-01 The Stone of Immortality has always been kept under the watch of the Draconta. That is, until the betrayal of a Fate. Now, everything is about to change. Aurora Megalos accepted her destiny without blinking-even if it meant succumbing to her dragon side. Deemed the Progeny, she left the ordinary life she knew and has done everything in her power to learn the ways of her new home and what it means to be part dragon. But when her mentor, Astral, suddenly disappears, she is forced to take the reins with war on the brink. She sets out on an epic journey to find what her arch enemy, Zordon, is after. What she discovers is far worse than she

could've ever imagined. She will be tested and pushed to the limit. Lives will be lost, love will be found, and most importantly, a battle will begin.

**Sick Enough** Jennifer L. Gaudiani 2018-09-14 Patients with eating disorders frequently feel that they aren't "sick enough" to merit treatment, despite medical problems that are both measurable and unmeasurable. They may struggle to accept rest, nutrition, and a team to help them move towards recovery. Sick Enough offers patients, their families, and clinicians a comprehensive, accessible review of the medical issues that arise from eating disorders by bringing relatable case presentations and a scientifically sound, engaging style to the topic. Using metaphor and patient-centered language, Dr. Gaudiani aims to improve medical diagnosis and treatment, motivate recovery, and validate the lived experiences of individuals of all body shapes and sizes, while firmly rejecting dieting culture.

*The Taste of Her Words* Candace Knoebel 2017-07-10 Andrea was my first taste of love. She was there throughout my childhood and into adulthood. Her words were a secret I wasn't supposed to know. Truths and pain bled onto papers that shredded my innocence and carved a hole in my heart only she could fill. Her words

were my first kiss. They were the uneven breaths I took when I saw her, and my hands between her thighs inside the dreams she haunted. She was my best friend's older sister and, even though she didn't know it yet, she was the pen that would ink our destiny into the stars. Dean tempted me to cross a line I never thought I would. It had been so long since someone looked at me the way he did. Five years since his starry gaze caressed my words and I ran from a kiss I couldn't shake. He was everything I should stay away from, but how could I resist the beautifully broken man whose touch stoked a fire within my soul? Dean was the missing words to my fairy tale. The parchment I could safely put my most intimate thoughts to. But when secrets from the past catch up with us, how could our perfectly plotted ending survive?

**Ten Reasons to Stay** Candace Knoebel

2018-08-30 One day a week--Thursdays--my husband and I could do whatever or whomever we pleased. Protection was non-negotiable. And no matter what, we had to be home by midnight. Jack was the one who wanted an open marriage, but we were supposed to keep things simple. No strings. No commitments. It seemed so easy...

until it wasn't. Devilishly handsome Cole Blackwater was only supposed to be a fling, but everything about him made me feel alive. Wanted. Seen. When I realized he was my husband's boss, I should have broken things off right then... but I didn't. One day a week, I could pretend that I was his and he was mine... until Cole wanted more. But how could I decide between the man I'd promised to love, honor, and cherish, and the man who tempted me to break every single vow I'd made? CAN BE READ AS A STANDALONE

**The Kennedy Women** Laurence Leamer

1996-09-29 "A FRESH AND UNVARNISHED PORTRAIT OF A FASCINATING, TALENTED, AND DEEPLY FLAWED FAMILY." —Boston Herald Laurence Leamer was granted unheralded access to private Kennedy papers, and he interviewed family and old friends, many of whom had never been interviewed before, for this incredible portrait of the women in America's "royal family." From Bridget Murphy, the foremother who touched shore at East Boston in 1849, to the intelligent, independent Kennedy women of today,

Laurence Leamer tells their unforgettable stories. Here are the private thoughts of Kathleen, the flirtatious debutante in prewar England . . . the truth behind Joe Kennedy's insistence that his mildly retarded daughter, Rosemary, be lobotomized . . . the real story behind Joan and Ted's whirlwind romance . . . Jackie's desire for a divorce from JFK in the 1950s . . . Pat Lawford's disastrous Hollywood marriage . . . how Caroline discovered her cousin David's death by overdose, and more. Tough enough to withstand the unimaginable, these Kennedy women soldier on in the name of their extraordinary family and what they believe is right. "MASTERFUL . . . AN ENDLESSLY FASCINATING READ . . . A wealth of beautifully rendered social detail, at times reading like a realist novel by Edith Wharton . . . [A] page-turner from start to finish." —The Dallas Morning News
