Asem Jan Vermeulen 2016-08-01 'n Aangrypende grootword-verhaal oor verslawing, tweede kans en wat dit beteken om jouself waarlik te vind. 'n Kragtoer van 'n boek wat nooit die leser met maklike antwoorde onderskat nie. Asem hoort op elke tiener se boekrak.

Internet of Things, Infrastructures and Mobile Applications Michael E. Auer 2020-09-10 This book gathers papers on interactive and collaborative mobile learning environments, assessment, evaluation and research methods in mobile learning, mobile learning models, theory and pedagogy, open and distance mobile learning, life-long and informal learning using mobile devices, wearables and the Internet of Things, game-based learning, dynamic learning experiences, mobile systems and services for opening up education, mobile healthcare and training, case studies on mobile learning, and 5G network infrastructure. Today, interactive mobile technologies have become the core of many—if not all—fields of society. Not only do the younger generation of students expect a mobile working

and learning environment, but also the new ideas, technologies and solutions introduced on a nearly daily basis also boost this trend. Discussing and assessing key trends in the mobile field were the primary aims of the 13th International Conference on Interactive Mobile Communication Technologies and Learning (IMCL2019), which was held in Thessaloniki, Greece, from 31 October to 01 November 2019. Since being founded in 2006, the conference has been devoted to new approaches in interactive mobile technologies, with a focus on learning. The IMCL conferences have since become a central forum of the exchange of new research results and relevant trends, as well as best practices. The book's intended readership includes policymakers, academics, educators, researchers in pedagogy and learning theory, schoolteachers, further education lecturers, practitioners in the learning industry, etc.

**Principles of Evidence** Pamela-Jane Schwikkard 2009 This third edition, like the first and second, strikes a balance between the theory of the law of evidence and its practical application in a constitutional issues, the impact of these sections on the Anglo-South African law of evidence, and the extent to which some of them may be subject to constitutional challenges. Stock is also taken of the provisions of the Electronic Communications and Transactions Act 25 of 2002 and the consequences of the repeal of s 66 of the Internal Security Act 74 of 1982.

**Introduction to Development Studies** Frik De Beer 2000 Written by Hennie Swanepoel and Frik de Beer (both based in South Africa) this development studies text, first published in 1997, is suitable for all introductory-level courses.

**Problem Solving with C++** Walter J. Savitch 2005 This text explains C++ and basic programming techniques in a way suitable for beginning students. It adapts to the syllabus created by the instructor rather than making you

adapt to the book. The order in which the chapters and sections are covered can easily be changed without loss of continuity in reading the text.
