Glenn sifted through and road tested thousands of apps to find the nearly 200 programs that fit his criteria for interesting, entertaining, useful—and essential—five-star apps. His clear-eyed selections will surprise and charm you and help you complete tasks, have fun, be creative, and learn something. Want to read a book or PDF or follow your Twitter, RSS, or Facebook feeds? You'll find the perfect app for the job. Ready to find the best action, word, and strategy games—so good, you may never put down your iPhone? We know the ones. Yearning for Thai food in an unfamiliar neighborhood or looking to reserve a table at a local restaurant? This book points you to the perfect apps. Need to track the delivery status of a package or turn your device into a barcode reader? Start reading and start scanning. Want to watch a movie—either from the studios or of your own creation? Glenn can direct you to the perfect app. Plus essential apps that will stream music, make you more productive, keep track of files, and much, much more.

**A Parent's Guide to the iPad in easy steps, 3rd edition - covers iOS 7** Nick Vandome  
2014-03-31 Since its introduction in 2010, the iPad has quickly become an iconic device - a compact, versatile tablet computer that packs a real punch in terms of its functionality. It is now widely used and in many ways it is ideal for children: it is user-friendly, compact, powerful and stylish into the bargain. But for a parent, the idea of your child using an iPad can be a daunting one: how do you know what they are using it for, what are they looking at on the web and how are they communicating with their friends? A Parent's Guide to the iPad in easy steps is the guide that aims to put parents' minds at ease and lets them understand the iPad, while helping their child explore this exciting machine. The book looks at the functionality of the iPad so that you can understand how your child is using it, and also make the most of yourself. It then covers a range of topics for which the iPad can be used: education, games, photos, music, creativity and social networking. This third edition covers the latest operating system, iOS 7. A Parent's Guide to the iPad in easy steps will inspire parents to use their iPad to encourage more learning!

**A Beginner's Guide to Using Your iPad as a Business Productivity Tool**

Dave James Caolo  
2011-02-18 Despite Apple's legendary ease of use, the iPad presents many users with a challenge. Its unique design, operating system, and applications--among other things--can be confounding to the very business people who would find it beneficial. The primary audience for this ebook is business people working in a corporate environment who have been issued an iPad by their employer and are looking to integrate the low-cost iPad into their workflow. Topics covered include syncing the iPad with Windows-based devices, working with spreadsheets, developing and presenting slideshows, app recommendations, and more.
