She would like nothing more than to escape Jinju, her neglected, dust-ridden, and impoverished planet. She's counting the days until she can follow her older brother, Jun, into the Space Forces and see more of the Thousand Worlds. When word arrives that Jun is suspected of leaving his post to go in search of the Dragon Pearl, Min knows that something is wrong. Jun would never desert his battle cruiser, even for a mystical object rumored to have tremendous power. She decides to run away to find him and clear his name. Min's quest will have her meeting gamblers, pirates, and vengeful ghosts. It will involve deception, lies, and sabotage. She will be forced to use more fox-magic than ever before, and to rely on all of her cleverness and bravery. The outcome may not be what she had hoped, but it has the potential to exceed her wildest dreams. Based on the parable, of the pearl found in Matthew 13:45-46, I am a Pearl unfolds key principles in overcoming painful pasts, improving the present, and embracing the future. One may ask, ¿Why a pearl and not a diamond?¿ When you study the pearl--the meaning, the value, the

symbolism, and the creation process--it is a natural comparison. The pearl is the only gem that emerges from nature requiring no cutting or sculpting to enhance its splendor. Like a pearl, you entered into the world as God created you; man cannot take credit for your magnificence. Prepare yourself for a life changing perspective on your experiences, and confirmation of God's unfailing love.
