The Daily Ukulele: Leap Year Edition offers ukulele fun all year long even on February 29th!

I Should Care Sammy Cahn 1975

Jews and Jazz Charles B Hersch 2016-10-14 **Jews and Jazz: Improvising Ethnicity** explores the meaning of Jewish involvement in the world of American jazz. It focuses on the ways prominent jazz musicians like Stan Getz, Benny Goodman, Artie Shaw, Lee Konitz, Dave Liebman, Michael Brecker, and Red Rodney have engaged with jazz in order to explore and construct ethnic identities. The author looks at Jewish identity through jazz in the context of the surrounding American culture, believing that American Jews have used jazz to

construct three kinds of identities: to become more American, to emphasize their minority outsider status, and to become more Jewish. From the beginning, Jewish musicians have used jazz for all three of these purposes, but the emphasis has shifted over time. In the 1920s and 1930s, when Jews were seen as foreign, Jews used jazz to make a more inclusive America, for themselves and for blacks, establishing their American identity. Beginning in the 1940s, as Jews became more accepted into the mainstream, they used jazz to "re-minoritize" and avoid over-assimilation through identification with African Americans. Finally, starting in the 1960s as ethnic assertion became more predominant in America, Jews have used jazz to explore and advance their identities as Jews in a multicultural society.

"Bei mir bist du schön..." Dagmar Filter 2016-03-09 Der thematische Fokus dieses Sammelbandes liegt auf den scheinbaren Abweichungen von der Norm, der diskursiven Vermittlung "schöner" Körper durch Bild und Text sowie auf den Methoden der Körperinszenierung und -optimierung. Neue Aspekte hinsichtlich dominanter heteronormativer Körpernormen und alltägliche Schönheitspraktiken werden in den Artikeln und in künstlerischen Auseinandersetzungen beleuchtet. Gesellschaftliche Normansprüche reichen in ihrer Wirkungsmacht weit hinein in die private Sphäre. "Schönheit" ist im gesellschaftlichen Diskurs ein fest verankertes Motiv, das über privaten als auch beruflichen Erfolg mitentscheiden kann. Dick, dünn, behaart, unbehaart, jung, alt, männlich,

weiblich oder irgendwie dazwischen: Das Äußere wird normiert, reguliert und manipuliert. Während die Privatheitsideologie das Motto "Mein Körper gehört mir" ins Negative verkehrt und damit freiwillige chirurgische Eingriffe zur eigenen äußerlichen Optimierung rechtfertigt, werden in vielen Fällen intergeschlechtliche Menschen zu einer körpnormalisierenden Operation gezwungen. Dieser Band will für die Widersprüchlichkeit neoliberaler Anrufungen sensibilisieren und Reflexionsprozesse anregen, um widerständige feministische Positionen zu schaffen.

The Song Index of the Enoch Pratt Free Library Ellen Luchinsky 2020-12-24 The Song Index features over 150,000 citations that lead users to over 2,100 song books spanning more than a century, from the 1880s to the 1990s. The songs cited represent a multitude of musical practices, cultures, and traditions, ranging from ethnic to regional, from foreign to American, representing every type of song: popular, folk, children's, political, comic, advertising, protest, patriotic, military, and classical, as well as hymns, spirituals, ballads, arias, choral symphonies, and other larger works. This comprehensive volume also includes a bibliography of the books indexed; an index of sources from which the songs originated; and an alphabetical composer index.

Hitler's Airwaves H. J. P. Bergmeier 1997 This is an account of the range, dexterity and ingenuity of Nazi public relations. In addition to obvious historical interest, this is the authors' complete discography of 500 commercial and propaganda recordings, with text of the insidious lyrics.

Cultures of the Jews David Biale 2002-10-15 WITH MORE THAN 100 BLACK-AND-WHITE ILLUSTRATIONS THROUGHOUT Who are "the Jews"? Scattered over much of the world throughout most of their three-thousand-year-old history, are they one people or many? How do they resemble and how do they differ from Jews in other places and times? What have their relationships been to the cultures of their neighbors? To address these and similar questions, twenty-three of the finest scholars of our day—archaeologists, cultural historians, literary critics, art historians, folklorists, and

historians of relation, all affiliated with major academic institutions in the United States, Israel, and France—have contributed their insight to *Cultures of the Jews*. The premise of their endeavor is that although Jews have always had their own autonomous traditions, Jewish identity cannot be considered immutable, the fixed product of either ancient ethnic or religious origins. Rather, it has shifted and assumed new forms in response to the cultural environment in which the Jews have lived. Building their essays on specific cultural artifacts—a poem, a letter, a traveler's account, a physical object of everyday or ritual use—that were made in the period and locale they study, the contributors describe the cultural interactions among different Jews—from rabbis and scholars to non-elite groups, including women—as well as between Jews and the surrounding non-Jewish world. Part One, "Mediterranean Origins," describes the concept of the "People" or "Nation" of Israel that emerges in the Hebrew Bible and the culture of the Israelites in relation to that of the Canaanite groups. It goes on to discuss Jewish cultures in the Greco-Roman world, Palestine during the Byzantine period, Babylonia, and Arabia during the formative years of Islam. Part Two, "Diversities of Diaspora," illuminates Judeo-Arabic culture in the Golden Age of Islam, Sephardic culture as it bloomed first in the Iberian Peninsula and later in Amsterdam, the Jewish-Christian symbiosis in Ashkenazic Europe and in the Polish-Lithuanian Commonwealth, the culture of the Italian Jews of the Renaissance period, and the many strands of folklore, magic, and material culture that run through diaspora Jewish history. Part Three, "Modern Encounters," examines communities, ways of life, and both high and folk culture in Western, Central, and Eastern Europe, the Ladino Diaspora, North Africa and the Middle East, Ethiopia, Zionist Palestine and the State of Israel, and, finally, the United States. *Cultures of the Jews* is a landmark, representing the fruits of the present generation of scholars in Jewish studies and offering a new foundation upon which all future research into Jewish history will be based. Its unprecedented interdisciplinary approach will resonate widely among general readers and the scholarly community, both Jewish

and non-Jewish, and it will change the terms of the never-ending debate over what constitutes Jewish identity.

Benny Goodman's Famous 1938 Carnegie Hall Jazz Concert Catherine Tackley 2012-10-19 On January 16, 1938 Benny Goodman brought his swing orchestra to America's venerated home of European classical music, Carnegie Hall. The resulting concert - widely considered one of the most significant events in American music history - helped to usher jazz and swing music into the American cultural mainstream. This reputation has been perpetuated by Columbia Records' 1950 release of the concert on LP. Now, in *Benny Goodman's Famous 1938 Carnegie Hall Jazz Concert*, jazz scholar and musician Catherine Tackley provides the first in depth, scholarly study of this seminal concert and recording. Combining rigorous documentary and archival research with close analysis of the recording, Tackley strips back the accumulated layers of interpretation and meaning to assess the performance in its original context, and explore what the material has come to represent in its recorded form. Taking a complete view of the concert, she examines the rich cultural setting in which it took place, and analyzes the compositions, arrangements and performances themselves, before discussing the immediate reception, and lasting legacy and impact of this storied event and album. As the definitive study of one of the most important recordings of the twentieth-century, *Benny Goodman's Famous 1938 Carnegie Hall Jazz Concert* is a must-read for all serious jazz fans, musicians and scholars.

Unfair to Genius Gary Rosen 2012-03-05 The long and tortured career of Ira B. Arnstein, "the unrivaled king of copyright infringement plaintiffs," opens a curious window into the evolution of copyright law in the United States. As Gary A. Rosen shows in this frequently funny and always entertaining history, the litigious Arnstein was a trenchant observer and most improbable participant in the transformation of not just copyright, but of American popular music itself. A musical prodigy in the late nineteenth century, Arnstein performed as a boy soprano at the famous 1893 "White City" exhibition in Chicago.

He grew up to be a composer of moderate accomplishment, but by the mid-1920s his fortunes had reversed in the face of changing tastes and times. Embittered and confused, he became convinced that he was the victim of a conspiracy to steal his music and set out on a three-decade-long campaign to prove it, suing most of the major players in the popular music industry of his day. Although Arnstein never won a case, Rosen shows that the decisions rendered ultimately defined some of the basic parameters of copyright law. His most consequential case, against a dumbfounded Cole Porter, established precedents that have provided the foundation for successful suits against George Harrison, Michael Bolton, and many others. *Unfair to Genius* alternates the stories of Arnstein and a colorful cast of supporting characters with a fascinating account of the economic, technological, and legal forces of the first half of the twentieth century that shifted the balance of power from the mercenary music publishers of Tin Pan Alley to the composers and lyricists who wrote the *Great American Songbook*.

World War II and the Postwar Years in America [2 volumes] William H. Young 2010-09-17 More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history, describing the everyday activities of Americans as they dealt first with war, and then a difficult transition to peace and prosperity. The two-volume *World War II and the Postwar Years in America: A Historical and Cultural Encyclopedia* contains over 175 articles describing everyday life on the American home front during World War II and the immediate postwar years. Unlike publications about this period that focus mainly on the big picture of the war and subsequent economic conditions, this encyclopedia drills down to the popular culture of the 1940s, bringing the details of the lives of ordinary men, women, and children alive. The work covers a broad range of everyday activities throughout the 1940s, including movies, radio programming, music, the birth of commercial television, advertising, art, bestsellers, and other equally intriguing topics. The decade was divided almost evenly between war (1940-1945) and peace (1946-1950), and the

articles point up the continuities and differences between these two periods. Filled with evocative photographs, this unique encyclopedia will serve as an excellent resource for those seeking an overview of life in the United States during a decade that helped shape the modern world.

Catalog of Copyright Entries Library of Congress. Copyright Office 1967

In Search of American Jewish Culture Stephen J. Whitfield 1999 In drama and in musical comedy, in popular song and in symphonic music, in movies and in literature, Jews have contributed to American culture in the 20th century to a degree out of all proportion to their numbers. But does this vast creative output coalesce into something identifiable as an American Jewish culture? Stephen J. Whitfield answers this question with a resounding "yes!" Whitfield focuses on areas where the specifically Jewish contribution has been little explored. He surveys such fields as popular music, musical theater, and drama, focusing on key figures from Jerome Kern and the Gershwins to Stephen Sondheim and Jerome Robbins; Leonard Bernstein and Aaron Copland to Irving Berlin and Bob Dylan; Arthur Miller and Lillian Hellman to David Mamet and Wendy Wasserstein. At the same time, Whitfield tackles the complex issue of race and American Jewish culture, tracing the extensive interpenetrations of Jewish and African American music. He also offers a stunning examination of Jewish American representations of the Holocaust, focusing on stage and film adaptations of Anne Frank's Diary and on Steven Spielberg's Schindler's List. In a poignant, final chapter, Whitfield ponders the future of American Jewish culture after a century of assimilationist pressure and mainstream success. The distinctive culture that he has traced through the 20th century, Whitfield concludes, may finally become submerged and lost. Only a renewed emphasis on Judaism itself, he believes, offers the hope for American Jews to maintain the dual cultural identities that they have so long succeeded in nurturing.

[Baseball's No-Hit Wonders](#) Dirk Lammers 2016-03-15 Baseball's No-Hit Wonders honors such legendary pitchers as Cy Young, Bob Feller, Nolan Ryan and Sandy Koufax, while introducing

readers to other eccentrics and one-shot wonders who have thrown no-hitters. The book, the first of its kind in more than fifteen years, fleshes out the colorful characters, compelling narratives and statistical oddities from baseball's 289 no-hit efforts—as well as the many near misses that are also part of the national pastime's storied history. Painstaking research and personal interviews have allowed the author to pack great detail into a fun, fast-paced take on the game, revealing the stories of the no-hitter thrown by a pitcher on acid, the hitters most adept at breaking up no-hitters and other gems thrown by guys with nicknames of Bumpus, Bobo, Cannonball and Nixey. Even the game's greatest slugger is credited with a partial no-hitter, and all he did was throw a punch.?? Chapters detailing the best no-hitters of all time are interspersed with "Did You Know?" lists that include no-hitters by team, city and day of the week, no-hitters of the Negro Leagues, catchers who caught the most no-nos and the best pitchers NOT to throw a no-hitter. Updated continuously at: NoNoHitters.com

Klezmer!: Jewish Music from Old World to Our World Henry Sapoznik 2011-08-01 *Klezmer!* is the fascinating story of survival against the odds, of a musical legacy so potent it can still be heard despite assimilation and near annihilation. The scratchy, distant sound of the early recordings discovered and studied by Henry Sapoznik have formed a soundtrack for an entirely new generation of performers.

Continuum Encyclopedia of Popular Music of the World 2003-01-30 "This is an extraordinary achievement and it will become an absolutely vital and trusted resource for everyone working in the field of popular music studies. Even more broadly, anyone interested in popular music or popular music culture more generally will enjoy - and find many uses for - the wealth of information and insight captured in this volume." Lawrence Grossberg, Morris Davis Professor of Communication Studies and Cultural Studies, University of North Carolina at Chapel Hill The first comprehensive reference work on popular music of the world Contributors are the world's leading popular music scholars Includes extensive bibliographies, discographies, sheet music listings

Downloaded from wordpress.ndc.gov.ph on 2022-12-05 by guest

and filmographies. Popular music has been a major force in the world since the nineteenth century. With the advent of electronic and advanced technology it has become ubiquitous. This is the first volume in a series of encyclopedic works covering popular music of the world. Consisting of some 500 entries by 130 contributors from around the world. Entries range between 250 and 5000 words, and is arranged in two Parts: Part 1: Social and Cultural Dimensions, covering the social phenomena of relevance to the practice of popular music. Part II: The Industry, covers all aspects of the popular music industry, such as copyright, instrumental manufacture, management and marketing, record corporations, studios, companies, and labels. Entries include bibliographies, discographies and filmographies, and an extensive index is provided. For more information visit the website at: www.continuumpopmusic.com

A Rotten Person Travels the Caribbean Gary Buslik 2008 Each chapter of this often hilarious and sometimes poignant travelogue recounts an island-hopping, culture-clashing crisis that pits the homesick author against falling coconuts, hospitals that remove wrong organs, insects as big and dangerous as stealth bombers, garbage-bin sex, steel drum bands, and the French.

Inge's War Svenja O'Donnell 2020-04-28 "An extraordinary saga." —David Grann, New York Times bestselling author of Killers of the Flower Moon The mesmerizing account of a granddaughter's search for a World War II family history hidden for sixty years Growing up in Paris as the daughter of a German mother and an Irish father, Svenja O'Donnell knew little of her family's German past. All she knew was that her great-grandparents, grandmother, and mother had fled their home city of Königsberg near the end of World War II, never to return. But everything changed when O'Donnell traveled to the city—now known as Kaliningrad, and a part of Russia—and called her grandmother, who uncharacteristically burst into tears. "I have so much to tell you," Inge said. In this transporting and illuminating book, the award-winning journalist vividly reconstructs the story of Inge's life from the rise of the Nazis through the brutal postwar years, from falling in

love with a man who was sent to the Eastern Front just after she became pregnant with his child, to spearheading her family's flight as the Red Army closed in, her young daughter in tow. Ultimately, O'Donnell uncovers the act of violence that separated Inge from the man she loved; a terrible secret hidden for more than six decades. A captivating World War II saga, Inge's War is also a powerful reckoning with the meaning of German identity and inherited trauma. In retracing her grandmother's footsteps, O'Donnell not only discovers the remarkable story of a woman caught in the gears of history, but also comes face-to-face with her family's legacy of neutrality and inaction—and offers a rare glimpse into a reality too long buried by silence and shame.

"Bei mir bist du schön..." Dagmar Filter 2016-03-04 Der thematische Fokus dieses Sammelbandes liegt auf den scheinbaren Abweichungen von der Norm, der diskursiven Vermittlung "schöner" Körper durch Bild und Text sowie auf den Methoden der Körperinszenierung und -optimierung. The Book of World-famous Music James J. Fuld
2000-01-01 Well-researched compilation of music
information, analyzes nearly 1,000 of the world's
most familiar melodies -- composers, lyricists,
copyright date, first lines of music, lyrics, and
other data. Includes 30 black-and-white
illustrations.

Bei Mir Bist Du Schön Victoria Secunda 1982
Monument Eternal Franya J. Berkman 2010-11-15
Alice Coltrane was a composer, improviser, guru,
and widow of John Coltrane. Over the course of
her musical life, she synthesized a wide range of
musical genres including gospel, rhythm-and-
blues, bebop, free jazz, Indian devotional song,
and Western art music. Her childhood experiences
playing for African-American congregations in
Detroit, the ecstatic and avant-garde
improvisations she performed on the bandstand
with her husband John Coltrane, and her religious
pilgrimages to India reveal themselves on more
than twenty albums of original music for the
Impulse and Warner Brothers labels. In the late
1970s Alice Coltrane became a swami, directing
an alternative spiritual community in Southern
California. Exploring her transformation from
Alice McLeod, Detroit church pianist and
bebopper, to guru Swami Turiya Sangitananda,
Monument Eternal illuminates her music and, in
turn, reveals the exceptional fluidity of American
religious practices in the second half of the
twentieth century. Most of all, this book
celebrates the hybrid music of an exceptional,
boundary-crossing African-American artist. Ebook
Edition Note: All images in center photo section
have been redacted.

The Last Metro François Truffaut 1985 .

They're Playing Our Song Max Wilk 2008
Originally published in 1973, when it won the
ASCAP Deems Taylor Award, reprinted and
revised several times since, *They're Playing Our
Song* is a classic oral history of American popular
music. Now further updated with new material
and new photographs, this book is indispensable
for anyone interested in the Great American

Songbook of the 20th century, these classic and
timeless songs and lyrics are as popular today as
ever.

The Wildest!!! Hip, Cool and Swinging! Louis
Prima 2005 This exciting new musical features
nearly 40 tunes performed on stage with a live
band, including "I've Got You Under My Skin,"
"Just a Gigolo/I Ain't Got Nobody," "That Old Black
Magic," "Sing, Sing, Sing," and "I Wish You Love."
Louis Prima and Keely Smith's musical sounds and
style defined an era that has transcended
generations and has become timeless in its
appeal. *THE WILDEST!!!* arrives at a moment
when Louis Prima, Keely Smith, Dean Martin,
Frank Sinatra and other Las Vegas icons are being
idolized as musical heroes. It's also about a unique
era - the nightclub years of the late 50's and early
60's. It is a journey to the past that will lead some
to new discoveries and others cherished
memories.

Cultures of the Jews, Volume 3 David Biale
2011-08-17 Scattered over much of the world
throughout most of their history, are the Jews one
people or many? How do they resemble and how
do they differ from Jews in other places and
times? What have their relationships been to the
cultures of their neighbors? To address these and
similar questions, some of the finest scholars of
our day have contributed their insights to *Cultures
of the Jews*, a winner of the National Jewish Book
Award upon its hardcover publication in 2002.
Constructing their essays around specific cultural
artifacts that were created in the period and
locale under study, the contributors describe the
cultural interactions among different Jews—from
rabbis and scholars to non-elite groups, including
women—as well as between Jews and the
surrounding non-Jewish world. What they
conclude is that although Jews have always had
their own autonomous traditions, Jewish identity
cannot be considered the fixed product of either
ancient ethnic or religious origins. Rather, it has
shifted and assumed new forms in response to the
cultural environment in which the Jews have lived.
Modern Encounters, the third volume in *Cultures
of the Jews*, examines communities, ways of life,
and both high and folk culture in the modern era
in Western, Central, and Eastern Europe; the

Ladino Diaspora; North Africa and the Middle East; Ethiopia; mandatory Palestine and the State of Israel; and the United States. From the Trade Paperback edition.

Swing It! John Sforza 2021-10-21 In the years before and after World War II, there were no bigger voices than those of the Andrews Sisters. Maxene, LaVerne, and Patty charted more top ten Billboard hits than Elvis or the Beatles and went on to become the top-selling female vocal group of all time, selling approximately 100 million records. They recorded such instant hits as "Beer Barrel Polka," "Boogie Woogie Bugle Boy," "Don't Fence Me In," and "I Can Dream, Can't I?" They dominated the music scene for fifteen years with some 600 recordings, appearances in seventeen films, cabaret performances, and countless radio and television appearances. *Swing It!* is the first published biography of this incredibly popular trio. The book includes many rarely published photos and features extensive career data, including a detailed discography, filmography, and listing of their radio and television appearances between 1938 and 1967. The Andrews Sisters had their big break with the 1937 release of the Yiddish tune "Bei Mir Bist Du Schon (Means that You're Grand)," which sold 350,000 copies in one month and established the trio as successful recording artists. The sisters are now probably best remembered for their work entertaining troops in World War II. They traveled across the U.S. and to Italy and Africa, and their recording of "Boogie Woogie Bugle Boy" for the film *Buck Privates* became synonymous with the war effort. Part of the reason for the success of the Andrews Sisters was their ability to perform so many different types of music. They repeatedly achieved major hits with melodies derived from many different countries, becoming the first and most prominent artists of their time to bring ethnic-influenced music to the forefront of America's hit parade. The Andrews Sisters separated for two years in the 1950s as the strain of constantly living, working, and playing together for over four decades took its toll. They reunited in 1956 and continued to perform together until LaVerne's death from cancer in 1967. The Andrews Sisters remain the most successful and enduring female

vocal group in the history of show business. Theirs are the voices that defined an era.

The Daily Ukulele: Leap Year Edition for Baritone Ukulele Jim Beloff 2017-03-01 (Fake Book). Now baritone ukulele players can enjoy the Daily Ukulele: Leap Year Edition songbook. This super collection features all the same songs from the Leap Year Edition in the original keys but with baritone ukulele chord grids (DGBE tuning). This is a chronology of the most famous songs from the years before rock 'n' roll. The top hits for each year are described, including vital information such as song origin, artist(s), and chart information. For many songs, the author includes any web or library holdings of sheet music covers, musical scores, and free audio files. An extensive collection of biographical sketches follows, providing performing credits, relevant professional awards, and brief biographies for hundreds of the era's most popular performers, lyricists, and composers. Includes an alphabetical song index and bibliography.

Living Without Shadows Sherwin Mark

2022-11-16 THE Madam is reaching out to press the bell next to her bed. She doesn't know who will answer the bell, or if it will be answered at all. If the bell is answered she will know it is not a Thursday. If the bell is not answered she will know it is probably Thursday. But she won't know what she and her family will eat that night, or whether she will spend another week looking for a new maid. If the bell is not answered, perhaps she has failed, again. In that moment, that moment of anticipation as the Madam reaches out for the bell, a cusp is formed at the junction of her present and her past. 'Living without Shadows' is the record of that moment. The moment between the boy and the worker in the trench. The knife at the throat of the brother. The waiting at the bottom of the kitchen stairs. The moment of the revolution. The moment before she screams. The moment before unconsciousness. The moment before death. Before the button engages. Before the circuit is complete, the lives of The Madam, her husband, her children and the servants are revealed. Her immigrant family passes from the pogroms of early twentieth century Eastern Europe to Apartheid South Africa. The intimate moments of the Madams innocent desires and hopes are laid bare in the bathtub. The perversions of morality, compromise and the victimization of one by the other fester as the family endures the dilemmas and poses of personal success and failure in the face of Fascism and Zionism, depression, misogyny and megalomania. Each reaches to find the equation that will balance betrayal and delusion with the

quest for respite, reconciliation and acceptance.

The Andrews Sisters H. Arlo Nimmo 2007-04-17 The Andrews Sisters, the legendary singing trio of the 1930s, 1940s, and 1950s are the most successful female singing group in history and were the world's top selling group until the Beatles arrived. Of the 605 songs they recorded, 113 charted. They also made 18 movies, appeared regularly on radio and television, and entertained three generations of GIs. Based on extensive research, unpublished letters, and interviews with family, friends, and colleagues, this book documents not only the lives and work of the Andrews Sisters but also the popular culture spanned by their long careers. The book contains a complete discography of their released, unreleased, and solo recordings, including recording dates, record numbers, and accompaniment. Also included are a filmography and documentation of their radio and television appearances.

Harmony Singing Susan Mazer 2002 If you've ever wondered how to create a vocal harmony part, this book is the perfect place to start. Susan Mazer teaches the basics of theory, how to listen to other parts as you sing, the easy way to make your own arrangements and more. You can try out what you learn with songs in traditional, folk, sacred, and popular styles, and explore the key composers, singers and groups who shaped the history of harmony singing. The included CD lets you hear the various types of harmony and sing along with examples in the book.

Bei Mir Bist Du Schön Sholom Secunda 1937

Kant's Aesthetic Theory David Berger

2011-10-27 Taste is ordinarily thought of in terms of two very different idioms - a normative idiom of taste as a standard of appraisal and a non-normative idiom of taste as a purely personal matter. Kant attempts to capture this twofold conception of taste within the terms of his mature critical philosophy by distinguishing between the beautiful and the agreeable. Scholars have largely taken Kant's distinction for granted, but David Berger argues that it is both far richer and far more problematic than it may appear. Berger examines in detail Kant's various attempts to distinguish beauty from agreeableness. This

approach reveals the complex interplay between Kant's substantive aesthetic theory and his broader views on metaphysics and epistemology. Indeed, Berger argues that the real interest of Kant's distinction between beauty and agreeableness is ultimately epistemological. His interpretation brings Kant's aesthetic theory into dialogue with questions at the heart of contemporary analytic philosophy and shows how philosophical aesthetics can offer fresh insights into contemporary philosophical debates.

The World's Most Beautiful Love Songs 1995-02
Fifty best-loved songs of romance in full piano/vocal arrangements. This exquisite collection features some of the warmest, most lyrical songs ever written. Titles include: It Had to Be You * Try a Little Tenderness * Unforgettable * Isn't It Romantic * You Stepped Out of a Dream * Killing Me Softly with His Song and many more. Spiral-bound.

Jews and Jazz Charles B Hersch 2016-10-14
Jews and Jazz: Improvising Ethnicity explores the meaning of Jewish involvement in the world of American jazz. It focuses on the ways prominent

jazz musicians like Stan Getz, Benny Goodman, Artie Shaw, Lee Konitz, Dave Liebman, Michael Brecker, and Red Rodney have engaged with jazz in order to explore and construct ethnic identities. The author looks at Jewish identity through jazz in the context of the surrounding American culture, believing that American Jews have used jazz to construct three kinds of identities: to become more American, to emphasize their minority outsider status, and to become more Jewish. From the beginning, Jewish musicians have used jazz for all three of these purposes, but the emphasis has shifted over time. In the 1920s and 1930s, when Jews were seen as foreign, Jews used jazz to make a more inclusive America, for themselves and for blacks, establishing their American identity. Beginning in the 1940s, as Jews became more accepted into the mainstream, they used jazz to "re-minoritize" and avoid over-assimilation through identification with African Americans. Finally, starting in the 1960s as ethnic assertion became more predominant in America, Jews have used jazz to explore and advance their identities as Jews in a multicultural society.
