Edupreneur: How To Monetise Your Expertise and Profitably Educate Your Market Sarah Cordiner

2017-09 Education is the new currency. Regardless of what business or industry you are in; if you wish to sell what you have to others, your commercial survival depends on you becoming the EDUPRENEUR. Consumers are tired of sales pitches and promises, and instead are seeking information and knowledge. By giving it to them you get to demonstrate your capability and expertise as much as they get to experience it - making you choice number 1 for their needs. Edupreneurs strategically share their expertise in a way that provides unprecedented global reach, immeasurable impact on the lives of others, and unlimited income potential. Every single person on Earth has an abundant and unique set of skills, experiences, and knowledge that could be turned into commercially profitable products and services. In this book, Sarah Cordiner will take you through the fundamentals of monetising your expertise and profitably sharing what you know with the world. Whether you are an absolute beginner in creating and selling information and education-based products

Start A Coaching Business Online The Beginners Quick Guide To Starting A Profitable Online Coaching Business Easily Find Your Niche Attract Ideal Clients Learn The Skills You Need To Succeed

and services, or are up-leveling to a serious education-based business operation; this book will help you get there. Inside this book: How to commercialise your skills, knowledge, and expertise and start profiting from what is already in your head. How to create your own unique 'funnel of service', so that you no longer need to 'sell', and instead have your customers coming eagerly to you for your advice and expertise. A deep dive into the 10 stages of designing and building a highly successful information or education-based business so that you maximise your impact and income. How to price your informational and educational products and services; including courses, consulting, workshops and more. Where and how to sell your educational products for maximum exposure and sales - particularly online courses. The critical elements of an online education based business. What online tools, apps and products you need and how they all fit together for maximum profitability, scalability, and automation. How to use your expertise to become a well-known leader in your industry.

Trust No Aunty Maria Qamar 2017-08 Based on her popular Instagram @Hatecopy and her experience in a South Asian immigrant family, artist Maria Qamar has created a humorous, illustrated "survival guide" to deal with overbearing "Aunties," whether they're family members, annoying neighbors, or just some random ladies throwing black magic your way. We've all experienced interference from our Aunties—they are at family parties and friendly get-togethers, finding ways to make your life difficult, trying to get you to marry their sons, and telling you to lose weight while simultaneously feeding you a second dinner—and it has stunted our social growth and embarrassed us in front of our friends and cool cousins for years. This tongue-in-cheek guide is full of advice designed to help you manage Aunty meddling and encourages you to pursue your passions—from someone who has been through it all. Qamar confesses to throwing sweatshirts over crop-tops to get out of the house without being questioned, hiding her boyfriend in a closet, and enduring overbearing parents endlessly pressuring her to become a

doctor, lawyer, or engineer. Holding onto your cultural identity is tough. Always interfering Aunties make it even harder. But ultimately, Aunties keep our lives interesting. As an Aunty-survivor and a woman who has lived the cross-cultural experience, Qamar defied the advice of her aunties almost every step of the way, and she is here to remind you: Trust No Aunty.

Ignite the Fire Jonathan Goodman 2015-02-10 Now in a revised, expanded, and upgraded edition, Ignite the Fire is the highly practical approach to personal training already relied on by thousands of trainers Worldwide. Repeatedly called one of the "best books for personal trainers", it provides a clear road map teaching you how to become a personal trainer, to getting a personal trainer certification, to building your career from the bottom up so you can build a clientele, your reputation, and income. --

How to Write Copy That Sells Ray Edwards 2016-02-16 Communicate with potential customers—and persuade them to buy: "The best copywriting teacher I know." —Michael Hyatt, New York Times–bestselling author of *Your Best Year Ever* This book is for everyone who needs to write copy that sells—including copywriters, freelancers, and entrepreneurs. Writing copy that sells without seeming "salesy" can be tough, but is an essential skill. How to Write Copy That Sells offers tips for crafting powerful, effective headlines and bullet points, reveals the secrets of product launch copy, and supplies specific copywriting techniques for: email marketing websites social media direct mail traditional media ads, and more "Ray invites you into his inner sanctum where he opens his real-life copywriting toolkit . . . Get this book!" —Judith Sherven, PhD, and Jim Sniechowski, PhD, bestselling authors of *The Heart of Marketing*

God Loves Hair Vivek Shraya 2014-08-18 "A touching poetic exploration of budding sexuality, the mysticism of religion, and family dynamics. Shraya's text and Neufeld's illustrations capture the confusion, innocence, and delusions of adolescence bang on." -Brian Francis, author of *Fruit I am often mistaken for a girl. Not just because I like to wear dresses or makeup. I don't mind. My parents are from India and here is not*

Start A Coaching Business Online The Beginners Quick Guide To Starting A Profitable Online Coaching Business Easily Find Your Niche Attract Ideal Clients Learn The Skills You Need To Succeed

quite home. School isn't always safe and neither is my body. But I feel safe in my love for God. And God loves hair. First published to acclaim in 2011, Vivek Shraya's first book, now published by Arsenal Pulp Press for the first time, is a collection of twenty-one short stories following a tender, intellectual, and curious child of Indian origin as he navigates the complex realms of sexuality, gender, racial politics, religion, and belonging. Told with the poignant insight and honesty that only the voice of a young mind can convey, *God Loves Hair* is a moving and ultimately joyous portrait of youth that celebrates diversity in all shapes, sizes, and colors. A Lambda Literary Award finalist in the category of children's books. The stories are accompanied by the award-winning full-color illustrations of Juliana Neufeld. Vivek Shraya is a multimedia artist, working in the mediums of music, performance, literature, and film. He is also author of *She of the Mountains*.

The Lean Startup Eric Ries 2011-09-13 Most startups fail. But many of those failures are preventable. *The Lean Startup* is a new approach being adopted across the globe, changing the way companies are built and new products are launched. Eric Ries defines a startup as an organization dedicated to creating something new under conditions of extreme uncertainty. This is just as true for one person in a garage or a group of seasoned professionals in a Fortune 500 boardroom. What they have in common is a mission to penetrate that fog of uncertainty to discover a successful path to a sustainable business. *The Lean Startup* approach fosters companies that are both more capital efficient and that leverage human creativity more effectively. Inspired by lessons from lean manufacturing, it relies on "validated learning," rapid scientific experimentation, as well as a number of counter-intuitive practices that shorten product development cycles, measure actual progress without resorting to vanity metrics, and learn what customers really want. It enables a company to shift directions with agility, altering plans inch by inch, minute by minute. Rather than wasting time creating elaborate business plans, *The Lean Startup* offers entrepreneurs—in companies of all sizes—a way to test their vision continuously, to

adapt and adjust before it's too late. Ries provides a scientific approach to creating and managing successful startups in an age when companies need to innovate more than ever.

The Snowball System Mo Bunnell 2018-09-11 Mo Bunnell's comprehensive system will help you win more clients, build stronger relationships, and bring in more business. If you're good at doing something, and you need to connect with paying clients in order to keep doing it, this book is for you. There are more of us out there than you might think—from professionals like lawyers and consultants to big company account managers and freelancers of all stripes. And this book will teach you how to sell yourself without selling your soul. In *The Snowball System*, Mo Bunnell offers powerful and proven tools for business development. Whether you are gregarious or introverted, whether you are a part of a small startup or a massive multinational, Bunnell's science-based system is effective and efficient, and easily adapted into your day-to-day work. With *The Snowball System*, you will not only succeed at growing your business, you'll learn to enjoy doing the activities that drive that growth. You'll be happier, and so will your clients.

Dad, How Do I? Rob Kenney 2021-05-18 From the host of the YouTube channel that went viral—*Dad, How Do I?*—comes a book that's part memoir/part inspiration/part DIY. Rob Kenney's father left him and his seven siblings when he was fourteen years old, and the youngest had to fend for themselves. He wished that he had someone who could teach him the basics—how to tie a tie, jump-start a car, unclog a drain, use tools properly—as well as succeed in life. But he and his siblings had to figure these things out on their own. Now a father himself, Rob decided that he would help people out by providing how-to tips as well as advice—and even throw in some bad dad jokes. He started a YouTube channel for anyone looking for fatherly advice, and in the course of three months, gained a following of nearly 2.5 million subscribers, with millions of views for his how-to and inspirational videos. In this book, Rob shares his story of overcoming a difficult childhood with the strength of faith and family, and offers inspiration and hope. In addition, he

Start A Coaching Business Online The Beginners Quick Guide To Starting A Profitable Online Coaching Business Easily Find Your Niche Attract Ideal Clients Learn The Skills You Need To Succeed

provides 50 practical DIY instructions (30 of which will be unique to the book), illustrated with helpful line drawings.

Traction Justin Mares 2014-08-26 Most startups end in failure. Almost every failed startup has a product. What failed startups don't have are enough customers. Traction Book changes that. We provide startup founders and employees with the framework successful companies use to get traction. It helps you determine which marketing channel will be your key to growth. "If you can get even a single distribution channel to work, you have a great business." -- Peter Thiel, billionaire PayPal founder The number one traction mistake founders and employees make is not dedicating as much time to traction as they do to developing a product. This shortsighted approach has startups trying random tactics -- some ads, a blog post or two -- in an unstructured way that will likely fail. We developed our traction framework called Bullseye with the help of the founders behind several of the biggest companies and organizations in the world like Jimmy Wales (Wikipedia), Alexis Ohanian (Reddit), Paul English (Kayak.com), Alex Pachikov (Evernote) and more. We interviewed over forty successful founders and researched countless more traction stories -- pulling out the repeatable tactics and strategies they used to get traction. "Many entrepreneurs who build great products simply don't have a good distribution strategy." -- Mark Andreessen, venture capitalist Traction will show you how some of the biggest internet companies have grown, and give you the same tools and framework to get traction.

Trump: The Art of the Deal Donald J. Trump 2009-12-23 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump

has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A chatty, generous, chutzpa-filled autobiography."—New York Post

Principles of Management Openstax 2022-03-25 Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Contributing Authors David S. Bright, Wright State University Anastasia H. Cortes, Virginia Tech University Eva Hartmann, University of Richmond K. Praveen Parboteeah, University of Wisconsin-Whitewater Jon L. Pierce, University of Minnesota-Duluth Monique Reece Amit Shah, Frostburg State University Siri Terjesen, American University Joseph Weiss, Bentley University Margaret A. The Mom Test Rob Fitzpatrick 2013-10-09 The Mom Test is a quick, practical guide that will save you time, money, and heartbreak. They say you shouldn't ask your mom whether your business is a good idea, because she loves you and will lie to you. This is technically true, but it misses the point. You shouldn't ask anyone if your business is a good idea. It's a bad question and everyone will lie to you at least a little. As a matter of fact, it's not their responsibility to tell you the truth. It's your responsibility to find it and it's worth doing right. Talking to customers is one of the foundational skills of both Customer Development and Lean Startup. We all know we're supposed to do it, but nobody seems willing to admit that it's easy to screw up and hard to do right. This book is going to show you how customer conversations go wrong and how you can do better.

The HeART of Laser-Focused Coaching: A Revolutionary Approach to Masterful Coaching

Marion Franklin 2019-09-25 What would it mean for your coaching if you got right to the heart of the matter - every time? You can. Learn rarely taught tips and concepts that will immediately elevate your coaching while avoiding the common pitfalls. New and experienced coaches alike will benefit greatly from the detailed strategies and wisdom shared from Marion's years of experience. -Cheryl Richardson, NYTimes Bestselling author of *Take Time for Your Life* Marion Franklin, the Coach's Coach, has been training and mentoring coaches for more than 20 years. Every student she has mentored or taught who sought ACC, PCC, or MCC has gotten their credential using the material in this book designed for all levels of coaches. No matter where you are in your coaching journey, this book has something for you. This book is different because it: Includes brilliant tools for beginner-to-seasoned coaches Offers advanced techniques for developing powerful questions without any lists Provides principles of human behavior that help you quickly identify what's really going on Contains the 25 Themes that underlie every coaching situation and make coaching and questioning much simpler Shares a step-by-step, easy to follow, way to

create a shift in perspective Presents 17 strategies that clients unknowingly use that actually work against, not for them Begin using even one or two of the concepts and principles in this book and notice your coaching immediately elevate to a new level. Your clients will notice the difference You will experience this innovative approach to masterful coaching with two full laser-coaching sessions with commentary - much like eavesdropping in on the mind of a master coach. Marion shares unprecedented concepts that will help new coaches and even the most experienced coaches gain new insights and ideas, including a deeper understanding of what they already know. Automatically improve your coaching by applying one rarely known principle. Never feel stuck around what question to ask. Feel more confident by quickly identifying what's really going on. Know exactly what to listen for in every conversation. Discover a simple "2 inquiry" approach that instantly enables you to deepen your curiosity. This book will not only boost your confidence and mastery as a coach, it will enable you to produce sustained results for your clients. I designed this book to not only show you what laser-focused coaching looks, sounds, and feels like, but to show you HOW TO coach for permanent, life-altering change. When using the Laser-Focused approach, you'll be able to: avoid getting seduced by the story ask questions that get right to the heart of the matter have the client do all of the summary know how to create the shift and what to do afterwards recognize the client's underlying pattern and know how to address it and so much more The HeART of Laser-Focused Coaching -- A revolutionary, unprecedented approach makes coaching easier while also enhancing your ability to help clients create deep and profound change. Transform your coaching into something so powerful and life-changing that your coaching consistently flows and becomes effortless.

Start A Coaching Business Online The Beginners Quick Guide To Starting A Profitable Online Coaching Business Easily Find Your Niche Attract Ideal Clients Learn The Skills You Need To Succeed Profit First

of cult classics The Pumpkin Plan and The Toilet Paper Entrepreneur offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that:

- Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances.
- A small, profitable business can be worth much more than a large business surviving on its top line.
- Businesses that attain early and sustained profitability have a better shot at achieving long-term growth. With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of.

Escape From Cubicle Nation Pamela Slim 2009-04-30 Pamela Slim, a former corporate training manager, left her office job twelve years ago to go solo and has enjoyed every bit of it. In her groundbreaking book, based on her popular blog Escape from Cubicle Nation, Slim explores both the emotional issues of leaving the corporate world and the nuts and bolts of launching a business. Drawing on her own career, as well as stories from her coaching clients and blog readers, Slim will help readers weigh their options, and make a successful escape if they decide to go for it.

Entrepreneur on Fire - Conversations with Visionary Leaders John Lee Dumas 2014-05-07
How to Become a Power Agent in Real Estate (PB)

Darryl Davis 2002-10-22 The realtor's essential guide to harnessing true earning power How to Become a Power Agent in Real Estate gives real estate agents both the powerful sales techniques and the practical management tips they need to double their income by closing more transactions. Based on the outstanding success of Darryl Davis's seminar "The POWER Program," this motivational guide utilizes POWER Principles to help the new agent as well as the experienced top producer dramatically increase listings and sales. The book is full of Davis's surefire methods for managing the sales process, including time management for agents, prospecting for listings, handling the seller's and buyer's concerns, maintaining a winning attitude, and generating more sales in less time. He also reveals how clever use of the Web can provide a competitive edge and how the top producers work smarter not harder. Offering field-proven tools and techniques, Davis shows agents how to progress at their own pace to their own personal Next Level and accelerate their entry into Top Agent status.

Creating an Online Business Plan RD king Plan your success today by creating an online business plan! Your online business plan needs to make sure it addresses the management and administration structure - in other words your organization's breakdown. Online businesses often have a simpler organization structure than a traditional business, but that's not always the case, and it must be clearly defined. You will need to cover the management structure and ownership of your business. It's okay if one person fills a number of roles. Online businesses that are starting up often don't have more than one or two

Start A Coaching Business Online The Beginners Quick Guide To Starting A Profitable Online Coaching Business Easily Find Your Niche Attract Ideal Clients Learn The Skills You Need To Succeed

people running the whole business. During the startup period, the owner is not going to be receiving a paycheck or any benefits. Initially owner salaries are going to be figured out based on the profitability of the company but they should never be more than fifty percent of the profit of the business. If the company is limited, there will be the distribution of shares among the owners. That could be one person, two people or more, but the breakdown needs to be included in the business plan so potential investors know and understand the business structure. You will also need to include the managerial style that you plan to use. This should be broken out so that not just investors but business owners can stay on track and later compare. Inside this ebook, you are about to learn some of the following information:

A Plan That Actually Works Anagh Prasad 2020-07-13 Written by a former All India Topper, this book has been touted by several iconic IITians as the most effective book on JEE planning ever written! Anagh argues that most IITians are neither born-geniuses nor unusually intense work-machines; they are smart planners instead. He takes you behind-the-scenes to reveal how smart planning works for JEE and lays out a clear framework for goal-oriented thinking. The step by step approach outlined across 11 chapters covers

Start A Coaching Business Online The Beginners Quick Guide To Starting A Profitable Online Coaching Business Easily Find Your Niche Attract Ideal Clients Learn The Skills You Need To Succeed

everything from daily routine to efficient practice to long term motivation, all explained through real life examples and presented with time-tested proofs. It talks about achieving one's goals while not missing out on a balanced life and questions people's deepest beliefs about achieving a large and meaningful goal like IIT-JEE. After finishing the book, readers will take away not just a concrete plan to prepare for JEE, but in the words of an early reviewer, a "life-altering" change in perspective towards success. "Edifying and thought-provoking! Reading this book will help you succeed not only in JEE but also in life." - Chitraang Murdia, AIR-1 in JEE Adv, 2014 "Covers a lot of important topics and explains goal setting well" - Aman Bansal, AIR-1 in JEE Adv, 2016 "Develops a holistic strategy to ace the JEE" - Ananye Agarwal, AIR-3 in JEE Adv, 2017 "Informative and Inspirational! It unravels the inner workings of a topper's mind" - Amey Gupta, AIR-8 in JEE Adv, 2014 "It will enable students to follow tested winning strategies rather than reinvent the wheel" - Kartikeya Gupta, AIR-4 in JEE Adv, 2013 "It iterates on the timeless wisdom of BhagavadGita to excel not only in JEE but any goal in life" - Vishwajeet Agarwal, AIR-5 in JEE Main, 2017. More about the book can be found out at www.thejeeproject.com

Make Money as a Life Coach: How to Become a Life Coach and Attract Your First Paying Client

Melissa Ricker 2018-02-15 Have you ever wondered how to become a life coach but found yourself thinking: "What if I fail or am not good enough?" "What kind of coaching can I do?" "Where should I even start?" If so, you're in the right place. The authors of *Make Money as a Life Coach* get it. They know what it's like to navigate the world of online business and coaching. After considerable learning and several wrong turns, they've both gone on to create successful coaching businesses. Now, they want to help you do the same. Because here's what nobody tells you..... becoming a life coach doesn't have to be difficult. All you need is a phone, an internet connection, and a deep desire to help people. Yes, there are a lot of steps you can take to become a life coach. But you don't have to do all (or many) of them. And you certainly don't need to do everything when you're first starting out. In this book, the authors cut through the noise and show you exactly how to: * Identify your ideal coaching niche - So that you feel confident in your offering and become the coach that you were designed to be. * Define your marketing strategy - To attract a constant stream of your ideal clients. * Confidently conduct a discovery call - So that you sign your first paying clients as quickly as possible. When you follow the steps in this book you'll not only start your business, you'll also sign your first paying client(s) in as little as 30 days. Imagine how your life will change when

Financial Freedom Grant Sabatier 2020-04-07

The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover."

—Lifehacker Money is unlimited. Time is not.

Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: * Create profitable side hustles that you can turn into passive income streams or full-time businesses * Save money without giving up what makes you happy * Negotiate more out of your employer than you thought possible * Travel the world for less * Live for free--or better yet, make money on your living situation * Create a simple, money-making

portfolio that only needs minor adjustments *

Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.
