

# The Time Travellers Guide To Medieval England A Handbook For Visitors To The Fourteenth Century

The Enigmatic Realm of **The Time Travellers Guide To Medieval England A Handbook For Visitors To The Fourteenth Century**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **The Time Travellers Guide To Medieval England A Handbook For Visitors To The Fourteenth Century** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.

Medieval Intrigue Ian Mortimer 2010-09-16 In this important new work Ian Mortimer examines some of the most controversial questions in medieval history, including whether Edward II was murdered, his possible later life in Italy, the weakness of the Lancastrian claim to the throne in 1399 and the origins of the idea of the royal pretender. Central to this book is his groundbreaking approach to medieval evidence. He explains how an information-based method allows a more certain reading of a series of texts. He criticises existing modes of arriving at consensus and outlines a process of historical analysis that ultimately leads to questioning historical doubts as well as historical facts, with profound implications for what we can say about the past with certainty. This is an important work from one of the most original and popular medieval historians writing today.

**In Search of the Dark Ages** Michael Wood 2015-05-14 Updated with the latest archaeological research new chapters on the most influential yet widely unrecognised people of the British isles, *In Search of the Dark Ages* illuminates the fascinating and mysterious centuries between the Romans and the Norman Conquest of 1066. In this new edition, Michael Wood vividly conjures some

of the most important people in British history such as Hadrian, a Libyan refugee from the Arab conquests and arguably the most important person of African origin in British history, to Queen Boadicea, the leader of a terrible war of resistance against the Romans. Here too, warts and all, are the Saxon, Viking and Norman kings who laid the political foundations of England: Offa of Mercia, Alfred the Great, Athelstan, and William the Conqueror, whose victory at Hastings in 1066 marked the end of Anglo-Saxon England. Reflecting the latest historical, textual and archaeological research, this revised and updated edition of Michael Wood's classic book overturns preconceptions of the Dark Ages as a shadowy and brutal era, showing them to be a richly exciting and formative period in the history of Britain. A World Lit Only by Fire William Manchester 2009-09-26 A "lively and engaging" history of the Middle Ages (Dallas Morning News) from the acclaimed historian William Manchester, author of *The Last Lion*. From tales of chivalrous knights to the barbarity of trial by ordeal, no era has been a greater source of awe, horror, and wonder than the Middle Ages. In handsomely crafted prose, and with the grace and authority of his extraordinary gift for narrative history, William Manchester leads us from a civilization tottering

on the brink of collapse to the grandeur of its rebirth: the dense explosion of energy that spawned some of history's greatest poets, philosophers, painters, adventurers, and reformers, as well as some of its most spectacular villains. "Manchester provides easy access to a fascinating age when our modern mentality was just being born." --Chicago Tribune

**The Middle Ages** Jeffrey L. Singman 2013 We consider the Middle Ages barbaric, yet the period furnished some of our most enduring icons, including King Arthur's Round Table, knights in shining armor, and the idealized noblewoman. In this vivid history of the time, the medieval world comes to life in all its rich daily experience. Find out what people's beds were like, how often they washed, what they wore, what they cooked, how they worked, how they entertained themselves, how they wed, and what life was like in a medieval village, castle, or monastery. Contemporary artworks and documents further illuminate this fascinating historical era.

**The Enneagram** Veronica Croft 2015-06-26 The Enneagram is a powerful catalyst for personal freedom, growth, and happiness. In this book you will embark upon a journey of self-discovery and profound positive change. - Discover why you are the way you are and learn profound spiritual truths about your true nature - Gain unparalleled understanding of others and bring ease to challenging relationships - Transcend negative patterns, uncover your unique gifts and fulfill your true potential - Experience real self-acceptance and empowerment and move forward into a more contented and meaningful life Using this book can enable you to consciously choose the path to positive change instead of repeating unconscious patterns that hold you back from experiencing lasting happiness. The Enneagram is unparalleled in providing insight into ourselves and others. This book is a treasure trove of wisdom for anyone searching for freedom, happiness, and harmony in their lives. It is of particular value to those interested in human behaviour patterns, including parents and therapists. Easily accessible for those new to the Enneagram, this book also offers fresh perspectives about the origins of the personality that will be of particular interest to anyone

already familiar with the Enneagram.

**The Time Traveller's Guide to Restoration Britain**  
Ian Mortimer 2017

**The Greatest Traitor** Ian Mortimer 2013-08-20 One night in August 1323, a captive rebel baron, Sir Roger Mortimer, drugged his guards and escaped from the Tower of London. With the king's men-at-arms in pursuit he fled to the south coast and sailed to France. There he was joined by Isabella, the Queen of England, who threw herself into his arms. A year later, as lovers, they returned with an invading army: King Edward II's forces crumbled before them and Mortimer took power. He removed Edward II in the first deposition of a monarch in British history. Then the ex-king was apparently murdered, some said with a red-hot poker, in Berkeley Castle. Brutal, intelligent, passionate, profligate, imaginative, and violent, Sir Roger Mortimer was an extraordinary character. It is not surprising that the Queen lost her heart to him. Nor is it surprising that his contemporaries were terrified of him. But until now no one has appreciated the full evil genius of the man. This first biography, *The Greatest Traitor* by Ian Mortimer, reveals not only Mortimer's career as a feudal lord, a governor of Ireland, a rebel leader, and a dictator of England, but also the truth of what happened that night in Berkeley Castle.

**Chaucer's People: Everyday Lives in Medieval England** Liza Picard 2019-03-26 The Middle Ages re-created through the cast of pilgrims in *The Canterbury Tales*. Among the surviving records of fourteenth-century England, Geoffrey Chaucer's poetry is the most vivid. Chaucer wrote about everyday people outside the walls of the English court—men and women who spent days at the pedal of a loom, or maintaining the ledgers of an estate, or on the high seas. In *Chaucer's People*, Liza Picard transforms *The Canterbury Tales* into a masterful guide for a gloriously detailed tour of medieval England, from the mills and farms of a manor house to the lending houses and Inns of Court in London. In *Chaucer's People* we meet again the motley crew of pilgrims on the road to Canterbury. Drawing on a range of historical records such as the Magna Carta, *The Book of Margery Kempe*, and *Cookery in English*, Picard

puts Chaucer's characters into historical context and mines them for insights into what people ate, wore, read, and thought in the Middle Ages. What can the Miller, "big...of brawn and eke of bones" tell us about farming in fourteenth-century England? What do we learn of medieval diets and cooking methods from the Cook? With boundless curiosity and wit, Picard re-creates the religious, political, and financial institutions and customs that gave order to these lives.

**Everyday Life in Medieval London** Toni Mount  
2014-03-15 Step back in time to medieval London to find out about the lives of those working and living there.

*The Outcasts of Time* Ian Mortimer 2018-01-02  
December 1348. What if you had just six days to save your soul? With the country in the grip of the Black Death, brothers John and William fear that they will shortly die and suffer in the afterlife. But as the end draws near, they are given an unexpected choice: either to go home and spend their last six days in their familiar world, or to search for salvation across the forthcoming centuries, living each one of their remaining days ninety-nine years after the last. John and William choose the future and find themselves in 1447, ignorant of almost everything going on around them. The year 1546 brings no more comfort, and 1645 challenges them in further unexpected ways. It is not just that technology is changing; things they have taken for granted all their lives prove to be short-lived. As they find themselves in stranger and stranger times, the reader travels with them, seeing the world through their eyes as it shifts through disease, progress, enlightenment, and war. But their time is running out—can they do something to redeem themselves before the six days are up?

*Europe in the Middle Ages* Ierne L. Plunket  
2022-06-02 This history book presents an accurate and detailed history of the much-celebrated Mediaeval Europe. Despite the subject being so vast, the author, Ierne L. Plunket, has made a notable effort not to compress the details about the background of Western Europe. Plunket wrote it intending to supply his readers the facts about the life in Medieval Europe; the classes that existed during the olden times; the lives and

principles of the heroes and villains of history; the beliefs and prejudices of the great thinkers, and much more. Everything anyone wants to know about this subject is mentioned in the book with Plunket's incredibly understandable writing style. The book covers every detail from the decline of Rome to the Renaissance, containing interesting information on the prominent events- battles, defeats, massacres, etc., and also giving a great idea about the politics of that period. This historical work primarily acts as a window to medieval Europe. It's a must-read for all history enthusiasts.

**The Very Secret Sex Lives of Medieval Women**

Rosalie Gilbert 2020-10-27 A "wickedly entertaining, informative and thought-provoking" look at romance, courtship, and other intimacies behind closed Medieval doors (Dr. Markus Kerr, PhD, MDR). Were medieval women slaves to their husband's desires, jealously secured in a chastity belt in his absence? Was sex a duty or could it be a pleasure? Did a woman have a say about her own female sexuality, body, and who did or didn't get up close and personal with it? No. And yes. It's complicated. The intimate lives of medieval women were as complex as for modern women. They loved and lost, hoped and schemed, were lifted up and cast down. They were hopeful and lovelorn. Some had it forced upon them, others made aphrodisiacs and dressed for success. Some were chaste and some were lusty. Having sex was complicated. Not having sex, was even more so. Inside *The Very Secret Sex Lives of Medieval Women*, a fascinating book about life during medieval times, you will discover tantalizing true stories about medieval women and a myriad of historical facts. Learn about: The true experiences of women from all classes, including women who made history The dos and don'ts in the bedroom Sexy foods and how to have them All you need to know for your wedding night, and well as insider medical advice How to get pregnant (and how not to), and more "Quite compelling and hilariously funny. I have been chuckling out loud and my husband says he thinks he ought to read it if it's such a tonic. God forbid!" —Susanna Newstead, author of the *Savernake Novels*

**The Time Traveller's Guide to Medieval**

**England** Ian Mortimer 2008 This radical new approach turns our entire understanding of history upside down. It shows us that the past is not just something to be studied; it is also something to be lived.

**A Distant Mirror** Barbara W. Tuchman

2011-08-03 A "marvelous history"\* of medieval Europe, from the bubonic plague and the Papal Schism to the Hundred Years' War, by the Pulitzer Prize-winning author of *The Guns of August*

\*Lawrence Wright, author of *The End of October*, in *The Wall Street Journal* The fourteenth century reflects two contradictory images: on the one hand, a glittering age of crusades, cathedrals, and chivalry; on the other, a world plunged into chaos and spiritual agony. In this revelatory work, Barbara W. Tuchman examines not only the great rhythms of history but the grain and texture of domestic life: what childhood was like; what marriage meant; how money, taxes, and war dominated the lives of serf, noble, and clergy alike. Granting her subjects their loyalties, treacheries, and guilty passions, Tuchman recreates the lives of proud cardinals, university scholars, grocers and clerks, saints and mystics, lawyers and mercenaries, and, dominating all, the knight—in all his valor and "furious follies," a "terrible worm in an iron cocoon." Praise for *A Distant Mirror* "Beautifully written, careful and thorough in its scholarship . . . What Ms. Tuchman does superbly is to tell how it was. . . . No one has ever done this better."—*The New York Review of Books* "A beautiful, extraordinary book . . . Tuchman at the top of her powers . . . She has done nothing finer."—*The Wall Street Journal* "Wise, witty, and wonderful . . . a great book, in a great historical tradition."—*Commentary* NOTE: This edition does not include color images.

**The Good Wife's Guide (Le Ménagier de Paris)**

2012-08-22 In the closing years of the fourteenth century, an anonymous French writer compiled a book addressed to a fifteen-year-old bride, narrated in the voice of her husband, a wealthy, aging Parisian. The book was designed to teach this young wife the moral attributes, duties, and conduct befitting a woman of her station in society, in the almost certain event of her widowhood and subsequent remarriage. The work also provides a rich assembly of practical materials for the wife's use and for her household, including treatises on gardening and shopping, tips on choosing servants, directions on the medical care of horses and the training of hawks, plus menus for elaborate feasts, and more than 380 recipes. The *Good Wife's Guide* is the first complete modern English translation of this important medieval text also known as *Le Ménagier de Paris* (the Parisian household book), a work long recognized for its unique insights into the domestic life of the bourgeoisie during the later Middle Ages. The *Good Wife's Guide*, expertly rendered into modern English by Gina L. Greco and Christine M. Rose, is accompanied by an informative critical introduction setting the work in its proper medieval context as a conduct manual. This edition presents the book in its entirety, as it must have existed for its earliest readers. The *Guide* is now a treasure for the classroom, appealing to anyone studying medieval literature or history or considering the complex lives of medieval women. It illuminates the milieu and composition process of medieval authors and will in turn fascinate cooking or horticulture enthusiasts. The work illustrates how a (perhaps fictional) Parisian householder of the late fourteenth century might well have trained his wife so that her behavior could reflect honorably on him and enhance his reputation.

**The Rise of Liberal Religion** Matthew Hedstrom

2013 Winner of the Frank S. and Elizabeth D. Brewer Best First Book Prize of the American Society of Church History Named a Society for U. S. Intellectual History Notable Title in American Intellectual History The story of liberal religion in the twentieth century, Matthew S. Hedstrom contends, is a story of cultural ascendancy. This

may come as a surprise—most scholarship in American religious history, after all, equates the numerical decline of the Protestant mainline with the failure of religious liberalism. Yet a look beyond the pews, into the wider culture, reveals a more complex and fascinating story, one Hedstrom tells in *The Rise of Liberal Religion*. Hedstrom attends especially to the critically important yet little-studied arena of religious book culture—particularly the religious middlebrow of mid-century—as the site where religious liberalism was most effectively popularized. By looking at book weeks, book clubs, public libraries, new publishing enterprises, key authors and bestsellers, wartime reading programs, and fan mail, among other sources, Hedstrom is able to provide a rich, on-the-ground account of the men, women, and organizations that drove religious liberalism's cultural rise in the 1920s, 1930s, and 1940s. Critically, by the post-WWII period the religious middlebrow had expanded beyond its Protestant roots, using mystical and psychological spirituality as a platform for interreligious exchange. This compelling history of religion and book culture not only shows how reading and book buying were critical twentieth-century religious practices, but also provides a model for thinking about the relationship of religion to consumer culture more broadly. In this way, *The Rise of Liberal Religion* offers both innovative cultural history and new ways of seeing the imprint of liberal religion in our own times.

*Diary of an Early American Boy 1805* Eric Sloane 2008-01-01 Excerpts from a teenager's diary interspersed with the author's comments and illustrations depict the lifestyle and crafts of rural New England.

**The Time Traveler's Guide to Elizabethan England** Ian Mortimer 2013-06-27 The author of *The Time Traveler's Guide to Medieval England* takes you through the world of Shakespeare and Queen Elizabeth I From the author of *The Time Traveler's Guide to Medieval England*, this popular history explores daily life in Queen Elizabeth's England, taking us inside the homes and minds of ordinary citizens as well as luminaries of the period, including Shakespeare, Christopher Marlowe, Sir Walter Raleigh, and Sir

Francis Drake. Organized as a travel guide for the time-hopping tourist, Mortimer relates in delightful (and occasionally disturbing) detail everything from the sounds and smells of sixteenth-century England to the complex and contradictory Elizabethan attitudes toward violence, class, sex, and religion. Original enough to interest those with previous knowledge of Elizabethan England and accessible enough to entertain those without, *The Time Traveler's Guide* is a book for Elizabethan enthusiasts and history buffs alike.

**The Oxford Illustrated History of Medieval England** Nigel Saul 1997 A thorough and well-illustrated history with eight long essays by leading scholars which cover the history and culture of England, rather than the British Isles, from the 5th to the 15th century. Contents: *Medieval England - Identity, Politics and Society* ( Nigel Saul ); *Anglo-Saxon England* ( Janet L Nelson ); *Conquered England* ( George Garnett ); *Late Medieval England 1215-1485* ( Chris Given-Wilson ); *Economy and Society* ( Christopher Dyer ); *Piety, Religion and the Church* ( Henrietta Leyser ); *The Visual Arts* ( Nicola Coldstream ); *Language and Literature* ( Derek Pearsall ).

*Weapons and Fighting Techniques of the Medieval Warrior* Martin J. Dougherty 2016-07-15 This awesomely illustrated and factual account sheds light on medieval warfare, as well as their weapons, armor, siege engines, and much more.

**The Middle Ages** Eleanor Janega 2021-06-03 A unique, illustrated book that will change the way you see medieval history *The Middle Ages: A Graphic History* busts the myth of the 'Dark Ages', shedding light on the medieval period's present-day relevance in a unique illustrated style. This history takes us through the rise and fall of empires, papacies, caliphates and kingdoms; through the violence and death of the Crusades, Viking raids, the Hundred Years War and the Plague; to the curious practices of monks, martyrs and iconoclasts. We'll see how the foundations of the modern West were established, influencing our art, cultures, religious practices and ways of thinking. And we'll explore the lives of those seen as 'Other' - women, Jews, homosexuals, lepers, sex workers and heretics. Join historian Eleanor

Janega and illustrator Neil Max Emmanuel on a romp across continents and kingdoms as we discover the Middle Ages to be a time of huge change, inquiry and development - not unlike our own.

**She-Wolves** Helen Castor 2011-02-22 "Helen Castor has an exhilarating narrative gift. . . . Readers will love this book, finding it wholly absorbing and rewarding." —Hilary Mantel, Booker Prize-winning author of *Wolf Hall* In the tradition of Antonia Fraser, David Starkey, and Alison Weir, prize-winning historian Helen Castor delivers a compelling, eye-opening examination of women and power in England, witnessed through the lives of six women who exercised power against all odds—and one who never got the chance. With the death of Edward VI in 1553, England, for the first time, would have a reigning queen. The question was: Who? Four women stood upon the crest of history: Katherine of Aragon's daughter, Mary; Anne Boleyn's daughter, Elizabeth; Mary, Queen of Scots; and Lady Jane Grey. But over the centuries, other exceptional women had struggled to push the boundaries of their authority and influence—and been vilified as "she-wolves" for their ambitions. Revealed in vivid detail, the stories of Eleanor of Aquitaine, Isabella of France, Margaret of Anjou, and the Empress Matilda expose the paradox that England's next female leaders would confront as the Tudor throne lay before them—man ruled woman, but these women sought to rule a nation.

**The Thrifty Guide to Medieval Times** Jonathan W. Stokes 2019-08-20 The kid-friendly series that makes history approachable, engaging, and funny! From the publishing house that brought you the *Who Was?* books. *The Thrifty Guide to Medieval Times: A Handbook for Time Travelers* is a snappy, informative, illustrated travel guide with everything the sensible time traveler needs to know, like: \* Where I can find the best hovel? \* What are my healthcare options if I catch the Black Plague? \* How can I avoid being attacked by pillaging Huns? \* And most importantly, why on earth would anyone want to travel back to medieval times? This book is designed as a parody of Fodor's guides, complete with humorous maps, reviews of places to stay and top attractions (don't

miss a jousting tournament . . . but watch out for lances!), and tips on whom to have lunch with (murderous Queen Olga of Kiev, naturally--just don't eat or drink anything around her!). If you had a time travel machine and could take a vacation anywhere in history, this is the only guidebook series you would need.

**Medieval Bodies: Life and Death in the Middle Ages** Jack Hartnell 2019-11-12 With wit, wisdom, and a sharp scalpel, Jack Hartnell dissects the medieval body and offers a remedy to our preconceptions. Just like us, medieval men and women worried about growing old, got blisters and indigestion, fell in love, and had children. And yet their lives were full of miraculous and richly metaphorical experiences radically different from our own, unfolding in a world where deadly wounds might be healed overnight by divine intervention, or where the heart of a king, plucked from his corpse, could be held aloft as a powerful symbol of political rule. In this richly illustrated and unusual history, Jack Hartnell uncovers the fascinating ways in which people thought about, explored, and experienced their physical selves in the Middle Ages, from Constantinople to Cairo and Canterbury. Unfolding like a medieval pageant, and filled with saints, soldiers, caliphs, queens, monks and monstrous beasts, this book throws light on the medieval body from head to toe—revealing the surprisingly sophisticated medical knowledge of the time. Bringing together medicine, art, music, politics, philosophy, religion, and social history, Hartnell's work is an excellent guide to what life was really like for the men and women who lived and died in the Middle Ages. Perfumed and decorated with gold, fetishized or tortured, powerful even beyond death, these medieval bodies are not passive and buried away; they can still teach us what it means to be human. Some images in this ebook are not displayed due to permissions issues.

**The Time Traveler's Guide to Regency Britain** Ian Mortimer 2022-04-05 A vivid and immersive history of Georgian England that gives its reader a firsthand experience of life as it was truly lived during the era of Jane Austen, Percy Bysshe Shelley, and the Duke of Wellington. This is the

age of Jane Austen and the Romantic poets; the paintings of John Constable and the gardens of Humphry Repton; the sartorial elegance of Beau Brummell and the poetic licence of Lord Byron; Britain's military triumphs at Trafalgar and Waterloo; the threat of revolution and the Peterloo massacre. In the latest volume of his celebrated series of Time Traveler's Guides, Ian Mortimer turns to what is arguably the most-loved period in British history: the Regency, or Georgian England. A time of exuberance, thrills, frills and unchecked bad behavior, it was perhaps the last age of true freedom before the arrival of the stifling world of Victorian morality. At the same time, it was a period of transition that reflected unprecedented social, economic, and political change. And like all periods in history, it was an age of many contradictions—where Beethoven's thundering Fifth Symphony could premier in the same year that saw Jane Austen craft the delicate sensitivities of Persuasion. Once more, Ian Mortimer takes us on a thrilling journey to the past, revealing what people ate, drank, and wore; where they shopped and how they amused themselves; what they believed in, and what they were afraid of. Conveying the sights, sounds and smells of the Regency period, this is history at its most exciting, physical, visceral—the past not as something to be studied but as lived experience. [How to be a Victorian](#) Ruth Goodman 2013-06-27 TRAVEL BACK IN TIME WITH THE BBC'S RUTH GOODMAN We know what life was like for Victoria and Albert. But what was it like for a commoner - like you or me? How did it feel to cook with coal and wash with tea leaves? Drink beer for breakfast and clean your teeth with cuttlefish? Catch the omnibus to work and do the laundry in your corset? How to be a Victorian by Ruth Goodman is a radical new approach to history; a journey back in time more personal than anything before. Moving through the rhythm of the day, this astonishing guide illuminates the overlapping worlds of health, sex, fashion, food, school, work and play. Surviving everyday life came down to the gritty details, the small necessities and tricks of living and Ruth will show you how. If you liked A Time Traveller's Guide to Medieval England or 1000 Years of Annoying the

French, you will love this book.

'Goodman skilfully creates a portrait of daily Victorian life with accessible, compelling, and deeply sensory prose' Erin Entrada Kelly 'We're lucky to have such a knowledgeable cicerone as Ruth Goodman . . . Revelatory' Alexandra Kimball 'Goodman's research is impeccable . . . taking the reader through an average day and presenting the oddities of life without condescension' Patricia Hagen *How to Survive in Medieval England* Toni Mount 2021-08-04 An in-depth guide to life in medieval England, including class, housing, spirituality, fashion, grooming, food, commerce, jobs, health, law, war, and more. Imagine you were transported back in time to Medieval England and had to start a new life there. Without mobile phones, ipads, internet, and social media networks, when transport means walking or, if you're fortunate, horseback, how will you know where you are or what to do? Where will you live? What is there to eat? What shall you wear? How can you communicate when nobody speaks as you do and what about money? Who can you go to if you fall ill or are mugged in the street? However can you fit into and thrive in this strange environment full of odd people who seem so different from you? All these questions and many more are answered in this new guidebook for time-travelers: *How to Survive in Medieval England*. A handy self-help guide with tips and suggestions to make your visit to the Middle Ages much more fun, this lively and engaging book will help the reader deal with the new experiences they may encounter and the problems that might occur. Know the laws so you don't get into trouble or show your ignorance in an embarrassing faux pas. Enjoy interviews with the celebrities of the day, from a businesswoman and a condemned felon, to a royal cook and King Richard III himself. Have a go at preparing medieval dishes and learn some new words to set the mood for your time-travelling adventure. Have an exciting visit but be sure to keep this book at hand. "Fun and creative. . . . If you want a handy guide to take on your journeys to the past or you just want a book to better understand the past, I highly suggest you read this book, "How to

## The Time Travellers Guide To Medieval England A Handbook For Visitors To The Fourteenth Century

Survive in Medieval England" by Toni Mount."

—Adventures of a Tudor Nerd

Medieval Costume in England and France Mary Galway Houston 1950

*How to Slay a Dragon* Cait Stevenson 2021-08-17 Grab your magical sword and take the place of your favorite fantasy character with this fun and historically accurate how-to guide to solving epic quests. What should you ask a magic mirror? How do you outwit a genie? Where should you dig for buried treasure? Fantasy media's favorite clichés get new life from *How to Slay a Dragon: A Fantasy Hero's Guide to the Real Middle Ages*, a historically accurate romp through the medieval world. Each entry presents a trope from video games, books, movies, or TV—such as saving the princess or training a wizard—as a problem for you to solve, as if you were the hero of your own fantasy quest. Through facts sourced from a rich foundation of medieval sources, you will learn how your magical problems were solved by people in the actual Middle Ages. Divided into thematic subsections based on typical stages in a fantastical epic, and inclusive of race, gender, and continent, *How to Slay a Dragon* is perfect if you're curious to learn more about the time period that inspired some of your favorite magical worlds or longing to know what it would be like to be the hero of your own mythical adventure.

*The Time Traveler's Guide to Restoration Britain: A Handbook for Visitors to the Seventeenth Century: 1660-1699* Ian Mortimer 2017-04-11 The past is another country - this is your guidebook, from nationally bestselling author of *The Time Traveler's Guide to Medieval England*. Imagine you could see the smiles of the people mentioned in Samuel Pepys's diary, hear the shouts of market traders, and touch their wares. How would you find your way around? Where would you stay? What would you wear? Where might you be suspected of witchcraft? Where would you be welcome? This is an up-close-and-personal look at Britain between the Restoration of King Charles II in 1660 and the end of the century. The last witch is sentenced to death just two years before Isaac Newton's *Principia Mathematica*, the bedrock of modern science, is published. Religion still has a severe grip on society and yet some—including the

king—flout every moral convention they can find.

There are great fires in London and Edinburgh; the plague disappears; a global trading empire develops. Over these four dynamic decades, the last vestiges of medievalism are swept away and replaced by a tremendous cultural flowering. Why are half the people you meet under the age of twenty-one? What is considered rude? And why is dueling so popular? Mortimer delves into the nuances of daily life to paint a vibrant and detailed picture of society at the dawn of the modern world as only he can.

*Making a Living in the Middle Ages* Christopher Dyer 2003-08-11 Dramatic social and economic change during the middle ages altered the lives of the people of Britain in far-reaching ways, from the structure of their families to the ways they made their livings. In this masterly book, preeminent medieval historian Christopher Dyer presents a fresh view of the British economy from the ninth to the sixteenth century and a vivid new account of medieval life. He begins his volume with the formation of towns and villages in the ninth and tenth centuries and ends with the inflation, population rise, and colonial expansion of the sixteenth century. This is a book about ideas and attitudes as well as the material world, and Dyer shows how people regarded the economy and responded to economic change. He examines the growth of towns, the clearing of lands, the Great Famine, the Black Death, and the upheavals of the fifteenth century through the eyes of those who experienced them. He also explores the dilemmas and decisions of those who were making a living in a changing world—from peasants, artisans, and wage earners to barons and monks. Drawing on archaeological and landscape evidence along with more conventional archives and records, the author offers here an engaging survey of British medieval economic history unrivaled in breadth and clarity.

How To Be a Tudor: A Dawn-to-Dusk Guide to Tudor Life Ruth Goodman 2016-02-15 Named one of the Best Books of the Year by NPR A New York Times Book Review Editors Choice Selection An erudite romp through the intimate details of life in Tudor England, "Goodman's latest...is a revelation" (New York Times Book Review). On

## The Time Travellers Guide To Medieval England A Handbook For Visitors To The Fourteenth Century

the heels of her triumphant How to Be a Victorian, Ruth Goodman travels even further back in English history to the era closest to her heart, the dramatic period from the crowning of Henry VII to the death of Elizabeth I. A celebrated master of British social and domestic history, Ruth Goodman draws on her own adventures living in re-created Tudor conditions to serve as our intrepid guide to sixteenth-century living. Proceeding from daybreak to bedtime, this “immersive, engrossing” (Slate) work pays tribute to the lives of those who labored through the era. From using soot from candle wax as toothpaste to malting grain for homemade ale, from the gruesome sport of bear-baiting to cuckolding and cross-dressing—the madcap habits and revealing intimacies of life in the time of Shakespeare are vividly rendered for the insatiably curious.

### **The Time Traveler's Guide to Medieval**

**England** Ian Mortimer 2011-10-25 Previously published in hardback by Simon & Schuster in 2010; originally published: London: Bodley Head, 2008.

*London: a Travel Guide Through Time* Matthew Green 2016-06-16 A guide to London that takes you back in time. This is a fascinating and unique guide to the capital that takes the reader off the beaten track and into unexplored territory through time to six key periods in the history of London. From Shakespeare to the plague, medieval London to the swinging 60s, readers can totally immerse themselves in the sights, sounds and smells of our capital. After reading this book you'll never rush through the streets of Covent Garden or St Paul's again without pausing for at least a moment to think of all the mad characters and epic lives that ran through the same streets centuries before.

### The Oxford Handbook of Music and Medievalism

Stephen C. Meyer 2020-03-02 The Oxford Handbook of Music and Medievalism provides a snapshot of the diverse ways in which medievalism—the retrospective immersion in the images, sounds, narratives, and ideologies of the European Middle Ages—powerfully transforms many of the varied musical traditions of the last two centuries. Thirty-three chapters from an international group of scholars explore topics

ranging from the representation of the Middle Ages in nineteenth-century opera to medievalism in contemporary video game music, thereby connecting disparate musical forms across typical musicological boundaries of chronology and geography. While some chapters focus on key medievalist works such as Orff's *Carmina Burana* or Peter Jackson's *Lord of the Rings* films, others explore medievalism in the oeuvre of a single composer (e.g. Richard Wagner or Arvo Pärt) or musical group (e.g. Led Zeppelin). The topics of the individual chapters include both well-known works such as John Boorman's film *Excalibur* and also less familiar examples such as Eduard Lalo's *Le Roi d'Ys*. The authors of the chapters approach their material from a wide array of disciplinary perspectives, including historical musicology, popular music studies, music theory, and film studies, examining the intersections of medievalism with nationalism, romanticism, ideology, nature, feminism, or spiritualism. Taken together, the contents of the Handbook develop new critical insights that venture outside traditional methodological constraints and provide a capstone and point of departure for future scholarship on music and medievalism.

### The Oxford Handbook of Later Medieval

Archaeology in Britain Christopher M. Gerrard 2018 The Middle Ages are all around us in Britain. The Tower of London and the castles of Scotland and Wales are mainstays of cultural tourism and an inspiring cross-section of later medieval finds can now be seen on display in museums across England, Scotland, and Wales. Medieval institutions from Parliament and monarchy to universities are familiar to us and we come into contact with the later Middle Ages every day when we drive through a village or town, look up at the castle on the hill, visit a local church or wonder about the earthworks in the fields we see from the window of a train. The Oxford Handbook of Later Medieval Archaeology in Britain provides an overview of the archaeology of the later Middle Ages in Britain between AD 1066 and 1550. 61 entries, divided into 10 thematic sections, cover topics ranging from later medieval objects, human remains, archaeological science, standing buildings, and sites such as castles and

## The Time Travellers Guide To Medieval England A Handbook For Visitors To The Fourteenth Century

monasteries, to the well-preserved relict landscapes which still survive. This is a rich and exciting period of the past and most of what we have learnt about the material culture of our medieval past has been discovered in the past two generations. This volume provides comprehensive coverage of the latest research and describes the major projects and concepts that are changing our understanding of our medieval heritage.

**The Oxford Handbook of Medieval Literature in English** Elaine Treharne 2010-04-15 The study of medieval literature has experienced a revolution in the last two decades, which has reinvigorated many parts of the discipline and changed the shape of the subject in relation to the scholarship of the previous generation. 'New' texts (laws and penitentials, women's writing, drama records), innovative fields and objects of study (the history of the book, the study of space and the body, medieval masculinities), and original ways of studying them (the Sociology of the Text, performance studies) have emerged. This has brought fresh vigour and impetus to medieval studies, and impacted significantly on cognate periods and areas. The Oxford Handbook of Medieval Literature in English brings together the insights of these new fields and approaches with those of more familiar texts and methods of study, to provide a comprehensive overview of the state of medieval literature today. It also returns to first principles in posing fundamental questions about the nature, scope, and significance of the discipline, and the directions that it might take in the next decade. The Handbook contains 44 newly

commissioned essays from both world-leading scholars and exciting new scholarly voices. Topics covered range from the canonical genres of Saints' lives, sermons, romance, lyric poetry, and heroic poetry; major themes including monstrosity and marginality, patronage and literary politics, manuscript studies and vernacularity are investigated; and there are close readings of key texts, such as Beowulf, Wulf and Eadwacer, and Ancrene Wisse and key authors from Ælfric to Geoffrey Chaucer, Langland, and the Gawain Poet. The Time Traveller's Guide to Regency Britain Ian Mortimer 2020-11-12 'Excellent... Mortimer's erudition is formidable' The Times A time of exuberance, thrills, frills and unchecked bad behaviour... Ian Mortimer turns to what is arguably the most-loved period in British history - the Regency, or Georgian England. This is the age of Jane Austen and the Romantic poets; the paintings of John Constable and the gardens of Humphry Repton; Britain's military triumphs at Trafalgar and Waterloo. It was perhaps the last age of true freedom before the arrival of the stifling world of Victorian morality. And like all periods in history, it was an age of many contradictions - where Beethoven's thundering Fifth Symphony could premier in the same year that saw Jane Austen craft the delicate sensitivities of Persuasion. This is history at its most exciting, physical, visceral - the past not as something to be studied but as lived experience. This is Ian Mortimer at the height of his time-travelling prowess. 'Ian Mortimer has made this kind of imaginative time travel his speciality' Daily Mail
