Concussion Rescue Kabran Chapek 2020-01-28 Daniel Amen and The Amen Clinics have become widely known and respected across America and internationally via television, print, and the online world reaching millions of viewers and consumers each year. We now have the wonderful opportunity to publish a line of health care books under the Amen Clinics imprimatur. #1 New York Times bestselling author, Daniel Amen, will write a foreword for each book and promote the book through all of his channels (mailing list, newsletter, social media). The first book we will be publishing is Concussion Rescue, which will give readers the natural and effective protocols for healing from traumatic brain injury. In Concussion Rescue, Dr. Kabran Chapek shares the programs and protocols that he uses at the Amen Clinics to put patients on the pathway to healing from traumatic brain injury. From general assessment using sophisticated tools (SPECT imaging, MRIs and CAT scans) to very specific blood tests (out-of-balance lab values in blood can point to symptoms of brain injury and may explain why the brain is not healing), Dr. Chapek guides readers to getting the proper medical care. He shares the cutting edge and most effective treatments for acute traumatic brain injury, as well as chronic traumatic brain injury, and provides the most powerful natural treatments including diet and supplements. Concussion Rescue will be an invaluable and potentially lifesaving resource for athletes, parents of student athletes, coaches, and

anyone who suffers a mild or severe brain injury.

Milady's Skin Care and Cosmetic Ingredients

Dictionary Natalia Michalun 2010 Milady's Skin Care and Cosmetic Ingredients Dictionary, third

edition, is a multi-purpose resource for cosmetic professionals and consumers alike. Part one puts

cosmetics in the context of skin care. It provides an overview of skin physiology. In order to

understand how and why a product works it is essential to understand how the skin works. It

gives an overview of the complexity of cosmetic chemistry particularly with respect to product

penetration, and highlights the current challenges

facing cosmetic formulators. In addition, it offers comprehensive discussion of the various skin types and conditions in order to help professionals in their product selection. Lastly, it defines common cosmetic industry terminology used by cosmetic manufacturers, professional estheticians, marketers and the media. The second part is dedicated to helping cosmetic users identify the function and purpose of specific ingredients. It is an alphabetical dictionary that lists and describes not only active principles but all other categories of ingredients that comprise a skin care cosmetic. As scientific knowledge of skin physiology and cosmetic chemistry advances, so do cosmetic products. This volume puts everything in context in an easy to read, easy to understand, user-friendly format.
