Stone Soup Marcia Brown 2011-06-14 Three soldiers came marching down the road towards a French village. The peasants, seeing them coming, suddenly became very busy, for soldiers are often hungry. So all the food was hidden under mattresses or in barns. There followed a battle of wits, with the soldiers equal to the occasion. Stone soup? Why, of course, they could make a wonderful soup of stones...but, of course, one must add a carrot or two...some meat...so it went. Marcia Brown has made of this old tale a carnival of activity, dancing, and laughter. Children who have once heard the story will turn to this book again and again, retelling the story for themselves. Now in an eBook edition!

The Real Story of Stone Soup Ying Chang

Compestine 2007-01-18 A stingy fisherman always makes his three young helpers do all his work.

One day he scolds the "lazy boys" for forgetting to provide lunch. "Don't worry," they say. "We can make stone soup." The boys dig a hole and fill it with water and "flavored" stones. They trick the fisherman into making bowls and chopsticks, and fetching salt and sesame oil. While he's busy, they stir in bird eggs, add wild vegetables, and slip fish into the soup. By the time the old man returns, they have a feast fit for a king. To this day, "Egg Drop Stone Soup" is a traditional dish in southeast China. A recipe is included.

Stone Soup 2011 "What would happen if an entire village worked together to make a huge pot of soup? Read this folktale to find out!"--Page 4 of cover

Stone Soup Bill Liao 2010 On a cold night a storyteller who knew the limitless power of words visited a famine-stricken village and, finding no fireside for a fable, began boiling a stone in a big pot in sight of everyone. One by one the curious villagers were encouraged to join in the feast of Stone Soup and one by one they believed in and contributed to the feast that inevitably resulted. Once both stories and soup had been devoured it was agreed that in future, in tough times, a stone and a story were a marvellous way to bring people together. *Stone Soup* is a modern fable about business, community, entrepreneurship and sharing. Mixing a traditional folktale with telling the story of one woman's journey through life, it contains tasty morsels of wisdom on work, team-building, leadership and courage. This book will nourish the soul of managers, entrepreneurs, community leaders, activists and educators by giving you the fortitude to lead fearlessly in the face of apparently insurmountable obstacles and foster true innovation within your community, group or organisation. Social networking pioneer, entrepreneur and philanthropist, Bill Liao, is the co-founder of the social network service XING (www.xing.com). He is also CEO of Finaxis AG, a privately held company in the financial services industry. Among his philanthropic endeavors is his participation as an investor and volunteer in The Hunger Project in Uganda, New York and Mexico.

Bill is also a regular attendee at the TED conferences and also the World Economic Forum New Champions conference. In 2007, Liao founded Neo (www.neo.org), a non-profit social networking site where people can make a personal commitment for the future of the earth. Neo was set up to provide a forum for people to make a personal commitment for the future of the earth in the form of a Declaration of Global Citizenship. *Stone Soup* Emma Wood 2022-05 The May 2022 issue of *Stone Soup Magazine*, 100% created by under 13s since 1973.

Teach your students that "the greatest gift is to share" with this character-building mini-musical. Appropriate all year long."

Stone Soup ~ Suburban Style Sueann Wells 2015-04-27 This variation on the classic folk fairy tale of *Stone Soup* takes readers to a common suburban neighborhood, in which the Strassner family has fallen upon hard times, but the young children in the area are hard pressed to look beyond rumors to understand the real situation of the neighbor they pass each day. The kind

patriarch of the neighborhood, Mr. Drum, is disheartened to hear the neighbor children share such disgust of the Strassners, especially eight-year-old Jonah, their ugly duckling classmate. Mr. Drum convinces the children to contribute to his soup concoction for the neighborhood block party. The children converge in this preparation, bringing into their folds Jonah Strassner, whom they come to find they have severely misjudged. This variation on the folk tale brings the message of inclusion and acceptance home to all readers, young and old.

Stone Soup Carl Sommer 2014 In a village full of selfish inhabitants, the idea that making stone soup would bring them all together might be hard to swallow...literally! With a few stones as the initial ingredients, three famished soldiers cleverly convince the villagers to contribute all of the items needed for a delicious pot of soup. In this spirited adaptation of the beloved folktale, preparing a simple pot of soup teaches the villagers that sharing brings happiness and celebration. After reading this heart-warming tale, children will certainly want to make a pot of their own stone soup. Because it makes a great activity for the classroom, suggest it to a favorite teacher, and remember that individuals can accomplish more when working together

Stone Soup: It's Hard to Be Holly Jan Eliot 2014-10-07 Jan Eliot's funny and irreverent Stone Soup follows the saga of an extended, blended family, starring two working-mom sisters living just across the fence from each other. Stone Soup Heather Forest 2017-12-13 Read Along or Enhanced eBook: Two hungry travelers arrive at a village expecting to find a household that will share a bit of food, as has been the custom along their journey. To their surprise, villager after villager refuses to share, each one closing the door with a bang. As they sit to rest beside a well, one of the travelers observes that if the townspeople have no food to share, they must be "in greater need than we are." With that, the travelers demonstrate their special recipe for a magical soup, using a stone as a starter. All they need is a carrot, which a young girl volunteers. Not to be outdone, another villager contributes a potato, and the soup grows as others bring corn, celery, and other vegetables and seasonings. In this cumulative retelling of an ancient and widely circulated legend, author Heather Forest shows us that when each person makes a small contribution, "the collective impact can be huge." Susan Gaber's paintings portray the optimism and timelessness of a story that celebrates teamwork and generosity
