And If You Play Golf, You're My Friend Harvey Penick 2011-11-22 ANOTHER ROUND OF INSPIRATION AND INSTRUCTION When Harvey Penick signed copies of his now classic first book, *Harvey Penick's Little Red Book*, Bud Shrake, his coauthor, noticed that he often inscribed them with the line "To my friend and pupil." When Shrake asked him why, Penick replied "Well, if you read my book, you're my pupil, and if you play golf, you're my friend." Taking up where the *Little Red Book* left off, this is the second dose of Penick's singular brand of wit and wisdom, full of the simple and easy-to-understand lessons on golf that Penick is known and admired for. Like its predecessor, *And If You Play Golf, You're My Friend* is rich with Penick's great love of the game, a love that he delighted in sharing with golfers of all ages and levels of ability.

Tibetan Yoga of Movement Chogyal Namkhai Norbu 2013-07-23 Tibetan Yoga of Movement introduces the method of Yantra Yoga, a traditional Tibetan form that is one of the oldest recorded systems of yoga in the world. Derived from an eighth-century Tibetan Buddhist text, Yantra Yoga includes many positions similar to those of Hatha Yoga in form, but different in the dynamics of the way in which they are practiced, especially in the coordination of movement and breathing. The Yantra Yoga system encompasses 108 sets of movements (yantras) and several types of breathing to be learned at your own pace. Due to its emphasis on uniting breathing and movement, Yantra Yoga can deepen the experience of yoga practitioners from any tradition and profoundly benefit anyone seeking authentic balance, harmony, and the understanding of our true nature. Since the eighth century, this yoga teaching has been passed down from teacher to student in an unbroken lineage. Chögyal Namkhai Norbu, the current lineage holder, began transmitting Yantra Yoga in the West in the 1970s. Presenting detailed instructions accompanied by over 400 instructional photos, the book describes the sequences of movements, methods of breathing, and the concrete health benefits of the practice.

The Naked Farmer Ben Brooksby 2020-10-27 Ben Brooksby is a fifth-generation farmer from St Helens Plains in western Victoria. When he was younger, he struggled with anxiety and other mental health issues, as do so many others in rural communities. A simple social media post helped him to turn things around. After he shared a photo on Instagram showing himself naked in a truck full of lentils, he received a huge response, with other farmers wanting to share their own photos - and their stories. As the Naked Farmer movement grew, Ben met people from all around the country who wanted to get naked for mental health. As they got their kits off, they also opened up about their struggles. This is a heartwarming, moving and candid collection of stories of the challenges our farmers are facing, and the way these communities are banding together in response. The Hobbema Prospect John Buxton Hilton

2012-07-19 Anne Cossey has a recurring dream of an avenue that reminds her of Hobbema's painting of The Avenue at Middelharnis. Beyond that she knows nothing of the place, except that it terrifies her. There is a great deal in her past that she cannot remember. Who is her mother? Who was her father? Who is she? Then, while she is on honeymoon in Spain, her mother 'commits suicide' in a manner that Anne is the first to recognize as murder. From then on the knots begin to tighten, for Anne is on the civilian payroll of Chief Superintendent Kenworthy, now in his closing years at the Yard, and her husband is a detective-sergeant in the squad of Kenworthy's old winger, Shiner Wright. She unearths various files in the archives that might refer to her mother's elusive past, but then finds herself one chilly dawn

abducted under anaesthetic and coming to in the very avenue of her nightmare. The action grows increasingly sinister, giving Kenworthy one of his most complex cases to date - and John Buxton Hilton the opportunity to introduce a few more to his gallery of memorable characters, including Swanee Foster, a criminal individualist, whom many at the Yard have agreed not to harness.
